SOME FEATURES OF YOUR HOME SCREEN

Check “Yes” if you would like to come straight to your home screen after logging in.

The screenshot shows a survey overlay at the top of the Interfolio interface. The survey text reads: "Would you like to come directly to Tarleton State University when you sign in to Interfolio? You can change this at any time in your account settings." Below the text are two buttons: "Yes" and "No". A red arrow points to the "Yes" button. The survey overlay also includes a close button (an 'x' icon) in the top right corner. Below the survey, the Tarleton State University logo and name are visible. The main interface shows a navigation menu on the left with "Home" selected, and a "My Tasks" section with a search bar and two task counts: "0 Unread Tasks" and "0 Read Tasks". A message at the bottom of the task section says "Looks like you're all caught up. Nice." The footer of the page includes the copyright notice "© 2021 Interfolio, Inc." and a link to "Program Policies".
