2020-2021

**24-Student  
Participants**

2021-2022

**35-Student  
Participants**

2022-2023

## About the JLD program

The Job Locator and Development Program (JLD) helps enrolled students find jobs to gain valuable work experience by connecting with employers. The JLD program is funded through Federal Financial Aid dollars with the sole purpose of connecting current TSU students to an internship or part-time jobs.
