

Tarleton Scholarly Impact Challenge Checklist

Use this checklist to keep track of your progress towards completing the Tarleton Scholarly Impact Challenge!

- Get a professional headshot.
- Claim your ORCID Profile using instructions provided on the Impact Challenge website. Retain your ORCID number to submit in the completion form.
- Create a Google Scholar Profile using instructions provided on the Impact Challenge website. Provide the link to your profile in the completion form.
- Create a Research Gate Profile. Provide the link to your profile in the completion form.
- Understand scholarly communication by reviewing the materials linked in the Impact Challenge instructions.
- Create a Reference Management Account (Mendeley, Endnote, Paperpile, or Zotero) and make a note of the email address associated with your account. Submit the email in the completion form.
- Learn about pre-prints by reviewing the materials linked in the Impact Challenge instructions. Search for a pre-print from your area of research. Provide the link to the pre-print in the completion form.
- Use PIVOT to search for external funding opportunities, and search for a grant in your area of work. Submit the link to the RFA in the completion form.
- BONUS: Get at least one student to sign up for Google Scholar, Research Gate, and a Reference Management Account. Provide their name in your Completion Form.
- When you have completed all eight of the impact items, place the results in this google form: <https://forms.gle/4M8h6wMuKJ5MN45P6>
