

The Rising Star Award

The Rising Star Award recognizes a currently active mover and shaker who is making a big difference in his/her profession/avocation/other.

This recognition is intended to be flexible and allow for distinguishing a range of people. As examples, a recent graduate making his/her mark in an exceptional way, a retired person who organizes/manages a major river cleanup, or a business person who spearheads a sustained disaster relief effort could be recipients.

2019 Recipient's

Dr. Shelby Armstrong

2018 Recipient—Mr. Ryan Best
