

COANR Undergraduate Research Scholar Proposal 2021-2022

Student Research Project (Title)

Faculty Mentor (Name)

Student (Name)

Objective of Project (Brief description of what this will accomplish for research purposes and student academic goals)

Request is for: (eligible categories below)

Student wages: (How much time? How long? How much money? Provide very brief description of student's duties.) Please note that students should be compensated for their time on the project unless they are receiving course or other credit.

Travel: (when, where and why?)

Supplies and Equipment: (brief description)

Total Amount Requested with brief budget breakdown.

(The maximum standard award per student will be \$1000. Faculty may submit more than one proposal provided additional proposals are for different students.) Projects submitted by faculty teams can exceed the \$1,000 limit, but should include multiple students in addition to multiple faculty in a ratio of at least 1 faculty/student team per \$1,000.

First year student inclusion incentive: In order to create additional opportunities for first year students, any proposal that employs first year student (as either the primary or secondary student on the project) may request up to an additional \$500 in funding to support the wages and travel for that student.

Funds must be expended in this fiscal year 2021-2022 to include summer 2022.

Please submit proposals electronically to blambert@tarleton.edu
