

The police help keep our cities safe. Do you support them?

The Tarleton State University Criminal Justice Association is offering you a chance to show your support for the fallen officers who help protect our neighborhoods. For \$20, you can own a shirt showing that you believe in the men and women protecting our streets. Part of the proceeds will go to the Texas Peace Officer Flag Fund, which honors families of fallen officers with an official state flag.

If you're interested in one of these shirts and supporting our officers or would like more information in general, please contact:

Dr. Sharece Downey (254)968-9767
