

Content Area Specialist

Advisor: Dr. Elizabeth Garcia (garcia@tarleton.edu)

Designed For:

Professionals seeking expertise in effective, research-based instructional techniques that increase student knowledge and performance at all levels, K-14.

Your Future:

K-12 school or district instructional specialists provide teacher training in research-based instruction practices to increase student achievement in a content area. Eighteen hours in a content area also provide opportunities to teach Advanced Placement and/or Dual Credit courses at the secondary level, or to teach at the community college level.

The Program:

The 30 hour Master of Education in Curriculum and Instruction degree includes a combination of online and hybrid coursework. Additional leveling courses may be required.

Core Courses:

EDUC 5303 Foundations of curriculum

EDUC 5385 Curriculum Design & Implementation

EDUC 5398 Techniques of Research

EDUC 5085 Education Seminar/Capstone Research Project

Concentration Courses:

18 Hours Graduate Content Area Courses (Math, English, Biology, etc.)
