* Students planning to take several courses in the first semester must sign up for the prerequisite EDAD 5300 first, in order for the registration system to accept enrollment in additional classes. Contact your faculty advisor if you encounter difficulties during registration.

** 5301 is not required for students in the Post-Master's Principal Certification Only Program.

Notes:

1. Students may take up to 12 credits (four classes) per semester.
2. Students receiving financial aid may be required to take a minimum of six (6) credits per semester. Please verify with loan or grant programs.
3. EDAD 5399 Principal Practicum (not offered in the summer) is available for participation at the conclusion of the program. Students are required to submit the [Principal Practicum Application](#) by deadline dates. EDAD 5399 can be taken with one other course--EDAD 5360 is the best combination.
4. Upon program completion, candidate must pass the Principal Certification Exam to apply to TEA for Principal Standard Certification.
5. Candidates must receive approval from the Coordinator of Principal Certification Program prior to taking the Principal Certification exam. Eligibility to take the exam is based on candidate's readiness, which includes taking a representative exam, and may include participation in a test preparation and review session.
6. To remain in good standing, students are expected to maintain a 3.0 GPA.
7. Students enrolled in the Post-Master's Principal Certification Only Program, which only requires 24 credits, need to consult the relevant course schedule to avoid taking unnecessary courses.
