The Teacher Education Program
at Tarleton State University

Students must have at least 60 earned hours to take EDUC 3320 – Foundations of Teaching: Elementary (EC-6) Classrooms or EDUC 3321 - Foundations of Teaching: Middle and Secondary Classrooms. There are no exceptions. The 60 hours must be visible on your unofficial transcript at Tarleton. (myGateway)

In order to take EDUC 3330 – Models of Instruction or EDSP 4361 - Teaching Strategies for Adolescent Students with Learning Disabilities, or any other Education course, the student must be admitted into the Teacher Education Program.

Applications are normally completed while the student is enrolled in EDUC 3320/3321. If the student believes they will be admitted, they should go ahead and enroll in EDUC 3330/EDSP 4361 as soon as they are able. Although final decisions will not be made by the Educator Preparation Council until the Friday before the next semester begins, students who are being denied will have already been notified by this time.

**If you believe you may need special accommodations when taking the TExES certification exam, please contact the Certification Testing Coordinator at 254-968-1908 at your earliest convenience since it can be a lengthy process.
