

Education students may elect to defer required field-based courses or experiences due to concerns or underlying medical issues. A deferment request must be made in writing by the student and received by the Coordinator of Field Experiences within five business days before the start of the assigned course or field-based experiences.

Reason for Deferment

Acknowledgement
I understand that in order to obtain Teacher Certification, I must complete all required coursework and field-based experiences. I also understand that I am required to notify the Coordinator of Field Experiences by October 15th for an update on my plans to return to complete Field Experiences in the Spring.
