**#158 EC-12 PE and #231 7-12 ELAR exams will be available until September 31 2024 and can be used for certification purposes through September 1, 2025. The new administrations of #258 EC-12 PE and #331 7-12 ELAR will be available on September 2, 2024 and will have extended score posting dates to accommodate the added constructed response section. You are encouraged to take and pass the current exam before 9/1/24 if you know for certain you will will be a program finisher by no later than the Spring 2025 semester.**

**\*Candidates participating in a yearlong residency may be required to complete edTPA in lieu of the PPR exam. The exception will be that yearlong residence candidates with the All-level Special Education concentration will be required to complete both edTPA and the PPR exam.**

All-level Art and Music students will need to consult with their academic department concerning content area exam approval requirements as there is no

240 Tutoring or Certify Teacher test prep for that exam. You will need a departmental signature on your Request to Test form to obtain testing approval.

6-12 Agriculture, Food, & Natural Resources will only complete the PPR study plan as there is no 240 Tutoring or Certify Teacher or paper-based study plan or practice exam for that content.
