Graduate Faculty Appointment Form

Faculty Member Name: _____ Email Address: _____

College: _____ Department: _____

Brief Description of Specialization: _____

☐ Graduate Faculty

Graduate faculty members can teach graduate classes, direct master's theses, serve on doctoral committees, and direct doctoral dissertations. Graduate Faculty may serve as their department's representative on the University Graduate Council.

☐ Affiliate Graduate Faculty

Affiliate members may be full-time or adjunct faculty. Affiliates may serve on graduate committees but not as the chair. Those who hold a terminal degree may teach graduate classes in the discipline of that degree. Tenured and Tenure-Track faculty in this membership level should demonstrate continued professional development as defined by their Tarleton academic program.

☐ Visiting Graduate Faculty

Visiting graduate faculty members are eligible to teach graduate courses, direct master's theses, and serve on doctoral committees. The University will recognize the graduate faculty status held by the visiting member at his/her home institution. This includes TAMU System Graduate Faculty.
