Agenda Item 1: Minutes of the November 17, 2020 meeting.

Agenda Item 2: Consent Curriculum Items

Department	Program/Course	Change Request	Item No.	Effective Term
Management	MGMT-MS - MGMT-MS: Master of Science in Management	Per Dr. Schuessler, attaching teach out plan documents for Stephenville and Waco for MS Management Degree.	P101	Fall 2021
Management	BUSI 5354	Course deletion	C404	Fall 2022
College of Business Administration	BA-MBA - BA-MBA: Master of Business Administration	Per Dr. Schuessler, attaching teach out request documents for MBA program in Stephenville and Waco.	P99	Fall 2021
Accounting, Finance, and Economics	ECON 5311	To make it easier for graduate students from different disciplines (eg. math and statistics, agricultural economics) to take the course without an override. Students from these programs have taken the course via override previously and have done well. Wordsmithing of catalog description and goals to match ECON 4311.	C3331	Fall 2022
Curriculum and Instruction	EDUC 5399	Updating Student Learning Outcomes. No change is being made to course content.	C821	Fall 2022
Curriculum and Instruction	EDUC 5695	Adding student learning outcomes	C3168	Fall 2022

Agenda Item 3: Dept. of Curriculum and Instruction

Department	Program/Course	Change Request	Item No.	Effective Term
Curriculum and Instruction	EDUC 5313	This course was created for a proposed new degree, Master of Arts in Teaching. This course was constructed for alignment to the required TAC standards and requirements for teacher certification. As all current C&I graduate degrees have options for elective courses, current TMATE students can take this course for completion of their M.Ed. in CUIN.	C4290	Fall 2022

Agenda Item 4: Dept. of Accounting, Finance and Economics

Department	Program/Course	Change Request	Item No.	Effective Term
Accounting, Finance, and Economics	ACC-MAcc - ACC-MAcc: Master of Accounting in Accounting	This change reflects our practice of requiring Federal Income Tax I (ACCT 5305) or equivalent. To this point, we have allowed students to complete this course, when necessary, while completing other program requirements. Most candidates entering the MAcc program have already completed a Federal Income Tax I course. (Any student having completed a BBA in accounting will have already completed Federal Income Tax I, which covers taxation of individuals.) This change, coupled with implementation of proposed revisions to DegreeWorks, will make it straightforward for students to plan their coursework and for administrators to confirm completion of all program requirements. This revision does not change our existing practices (from the inception of the Master of Accounting program); it merely enables more efficient handling of student coursework planning.	P161	Fall 2022
Accounting, Finance, and Economics	ACCT 5302	Catalog prerequisite erroneously indicated ACCT 5101. Actual course number is COBA 5101.	C2232	Fall 2022
Accounting, Finance, and Economics	ACCT 5325	The Tarleton COB is a partner in the Anti-Fraud Education Partnership sponsored by the Association of Certified Fraud Examiners (ACFE). This is a list of preferred business schools offering courses in fraud examination. The ACFE is now mandating that all members change the name of their fraud-related courses to fraud examination. It is in our interest to stay in the ACFE Anti-Fraud Education Partnership, so we are changing the name. Title changed with updated description made 1.25.2021 per Drs. Watson and Blythe's request via email.	C3369	Fall 2022
Accounting, Finance, and Economics	ACCT 5306	The Accounting Faculty have agreed that, given the breadth of content addressed in this course, a student without a background in federal tax accounting will not be successful in this course. By summer 2020, we have had a few years of experience with this course and students who have not met this proposed prerequisite.	C2237	Fall 2022
Accounting, Finance, and Economics	FINC 5329	This is the finance prefixed cross-listing of KINE 5329. It will give MBA students who are interested in working in the sports industry an elective that will deal with issues common to the industry. It is currently planned between AFE and KINE that it will be taught by a finance faculty, and having a FINC-prefix will assist with accreditation.	C4292	Fall 2022

Agenda Item 5: Dept. of Counseling

Department	Program/Course	Change Request	Item No.	Effective Term
Counseling	CNSL 5376	The program is looking to expand elective courses. This course will also allow students to earn an additional 67.5 out of the 150 educational hours need to become a Registered Play Therapist. Students who complete both Play Therapy and Advanced Play Therapy will only need an additional 15 educational hours in play therapy upon graduation.	C4288	Fall 2022
