Department	Program/Course	Change Request	Item No.	Effective Term
Engineering Technology	QEM-MS - QEM-MS: Master of Science in Quality and Engineering Management	Updating curriculum and adding Engineering Management Concentration based on external evaluator recommendation.	P94	202208

Engineering Technology	ENGT 5365	Adding in a new course for the Industrial Distribution track. Raj Comment - As per Billy, for now the course is not used in any program and would like to push it through. ENGT department plans to use the course later once they have industrial and/or construction track.	C4588	202208
Engineering Technology	ENGT 5300	Some students do not come in with prerequisite knowledge needed to be successful in the program. Instead of making students take 3 leveling courses, the required materials are proposed to be taught in one course.	C4445	202208
Engineering Technology	ENGT 5345	After external review of the MS QEM, one of the missing topic areas from the ASEM topics was a course in systems engineering. This course would satisfy that need.	C4446	202208
