Agenda for the Meeting of January 24, 2023

Curriculum items submitted for Graduate Council action are available at <https://nextcatalog.tarleton.edu/courseleaf/approve/>. You can view items by logging in using your NTNET username and password.

Agenda Item 1: Minutes of the November 15, 2022 meeting.

Agenda Item 2: School of Health and Service Professions – *Doctor of Occupational Therapy*

Department	Program/Course	Change Request	Item No.	Effective Term
School of Health & Service Professions (SHSP)	OT-OTD - OT-OTD: Doctor of Occupational Therapy	<p style="text-align: center;"><i>New Program</i></p> <p>Tarleton State University is pursuing the implementation of a Doctor in Occupational Therapy to meet the regional need for rural and underrepresented health care needs in the local communities. The proposed program is a Doctor of Occupational Therapy (OTD) provides professional training to develop entry level occupational therapists with an understanding of the occupational needs of clients, groups and populations in various contexts and communities. The OTD curriculum reflects a deep commitment to meeting adult learners needs through transformative learning experiences in environments that support interprofessional and interdisciplinary teams engaged in evidence-based, discovery, assessment, evaluation, interventions, advocacy, education, and occupation-based service delivery. Tarleton State University’s proposal of the OTD program reflects a direct commitment to the institutions focus on creating a healthier North Central Texas, specifically rural, underserved communities. Tarleton State University has the distinct honor of being recognized for its commitment to enhance and increase health care practitioner pipeline for rural communities in Texas as a recipient of \$90M in funding for structural and professional educations (Texas State Bill</p>	P348	202408

		52, 2022). The OTD program is part of the healthcare expansion at Tarleton State University. The receipt of these funds reflects a commitment to filling local, state and national jobs and community needs, targeting rural populations specifically. Please find supporting documents: ACOTE Standards: The doctoral standards that guide all curriculum objectives and content for all OTD programs. OTD Course Descriptions: Detailed descriptions and objectives for each OTD course. OTD Curriculum & Sequence: Full description of OTD curriculum reflecting both Tarleton and ACOTE requirements. Tarleton ACOTE Letter: First letter to ACOTE indicating Tarleton's intent to start OTD program. The data indicate has been altered with ACOTE to reflect the construction and THECB timelines.
