

Tarleton Employee Services

Meet our Team!

Hollie Trussell is a Benefits Specialist that has been employed by Tarleton State University for close to 7 years.

What is your fondest Tarleton memory?

I have many memories of Tarleton, but my favorite are when Oscar P or the Purple Poo attended events hosted by the Employee Services Team.

What do you enjoy most in your role?

I enjoy working with employees and helping them understand their benefits, as well as resolving any problems they are experiencing.

What is something unique about you?

I have a musical background and started playing the violin in elementary school. Although I don't get to play as often as I would like these days, I enjoy playing my violin when given the opportunity.
