

You have the ability to send print jobs to the printers in the Pharos Uniprint System from any device: a Mac or PC laptop, an iOS or Android tablet or phone. For iOS and Android phones, you can download and install Pharos Print. Or using a browser, you can log in to MyPrintCenter.

Using the Pharos App:

1. Download Pharos Print App from the App Store or Play Store
2. Enter the printer server and port number: prtsrv03.tarleton.edu / port 443
3. Login with UID and password
4. Upload document on Android or send to Pharos on iOS to queue (held for 24 hours)
5. Go to a release station OR select a printer to print your document

From a browser:

1. Go to <https://prtsrv03.tarleton.edu/myprintcenter>
2. Login with UID and password
3. Upload document to queue (held for 24 hours)
4. Go to a release station OR select a printer to print your document

Upload your files here; it may take a bit depending on the size of your file.

Type	Title	Print Preview	Pages	Pieces of Paper	Submitted Date	Cost
