### Management and Leadership

The Management and Leadership (M&L) concentration in the Master of Science in Management (MSM) program is a specialized concentration dedicated to current and aspiring managers in a variety of industries. The program seeks to build a comprehensive set of skills needed to take the candidate to the next level in their career. Our unique program focuses on both management and leadership in a variety of workplace contexts. Learning methodology includes analysis, application, self-reflection, and simulation based on modern management and leadership.

### Availability & Affordability

Tarleton's MSM program is online with year round course offerings. A nine-semester credit hour load (three-courses) will cost approximately \$3,800 for residents and \$6,200 for non residents.

### Jobs

Career opportunities include management, consulting, analytics, entrepreneurship, and other high-demand jobs. Jobs are plentiful for management occupations with 9% growth projected over the next 10 years. Salaries range from \$49k to - \$141k, median \$110k (BLS.gov). However, the industry and experience impact salaries heavily.
