TARLETON: RELLIS Academic Alliance Campus at Bryan, TX
CHAPTER 1
REQUIRED POLICY AND PROCEDURES UNDER THE
JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND
CRIME STATISTICS ACT

RELLIS Campus Policies and Information
RELLIS, formerly known as the Riverside Campus, is owned by the Texas A&M University System (TAMUS),
controlled by the institution for purposes of the Clery Act, and located eight miles from the Texas A&M
University main campus in College Station (Texas A&M University). RELLIS was renamed in 2016 to represent
the Aggie core values of respect, excellence, leadership, loyalty, integrity, and selfless services. Facilities at
RELLIS are, and have historically been, used to conduct world-class research, technology development, and
industry outreach with participants including, but not limited to, the College of Engineering (through affiliation
with the Texas A&M Engineering Experiment Station and the Texas A&M Transportation Institute), the College
of Architecture, and the Department of Anthropology. Recent construction of RELLIS facilities during calendar
years 2017, 2018, and 2019 created an expanded campus where students participate in research and testing
with multiple agencies in the TAMUS; including federal, state, and local governments; and private industry.
Additional paths toward college degrees have also been established at RELLIS. Post-secondary degree
education and training are being offered beginning in fall 2018 with programs through Blinn College and
multiple universities under the TAMUS, including Tarleton State University. The educational program at RELLIS
is comprehensively called the RELLIS Academic Alliance and includes plans for further facility expansion.

Why an Annual Security Report?
Enacted in 1990, the Crime Awareness and Campus Security Act was designed to assist students in making
decisions which affect their personal safety and to ensure institutions of higher education provide students,
prospective students, staff, and faculty the information they need to avoid becoming victims of campus crime.
The Higher Education Act of 1998 and the subsequent amendments of the implementing regulations (34
C.F.R.668.46) significantly expanded institutions’ obligations under this act. The Higher Education Act of 1998
was also renamed the “Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act” (hereafter
the Clery Act).

NACCOP Membership
Tarleton maintains an Institutional Membership with the National Association of Clery Compliance Officers and Professionals (NACCOP). NACCOP provides a professional association for Clery compliance officers and professionals to collaborate, share resources and best practices, and participate in professional development opportunities to support colleges and universities in their efforts to comply with the Clery Act.
The Texas A&M University Police Department (UPD) is computer linked to city, state and federal criminal justice agencies, which provide access to criminal records, wanted persons, stolen property, and vehicle information. All crimes occurring at RELLIS should be reported to UPD or submitted to UPD from the Blinn College Police Department (BCPD) officers or contract security. UPD investigates and refers crimes for prosecution through the Offices of the County Attorney and District Attorney when appropriate. Criminal matters involving students or employees may also be referred to the appropriate university’s administration for disciplinary action.

As peace officers, UPD’s armed police officers have the same full authority to detain and arrest as municipal police officers. While the security officers do not have authority to detain or make arrests, their presence and observations at various campus locations support and assist the work of the UPD Patrol Division. BCPD officers at RELLIS also have authority to detain and arrest. Evening and weekend security personnel do not have arrest authority.

UPD is the primary police authority for RELLIS. UPD police officers are certified Texas peace officers as defined in article 2.12 of the Texas Code of Criminal Procedure. Pursuant to Section 51.203 of the Texas Education Code, police officers commissioned by a state institution of higher education have authority and jurisdiction in all counties in which property is owned, leased, rented, or otherwise under the control of the institution of higher education.

**Working relationships with State and local police agencies**

UPD maintains excellent working relationships with all area law enforcement agencies including the College Station Police Department, Bryan Police Department, Brazos County Sheriff’s Office, BCPD, and all four Brazos County Constable Offices. Working relationships are maintained through periodic communications among agency administrators and frequent contacts between line officers and investigators cooperating on specific cases. Through these relationships, UPD may be provided information regarding student non-campus criminal activity, including student organizations with non-campus housing.

UPD also maintains excellent working relationships with many state and federal agencies on an as needed basis. These agencies include, but are not limited to, the Federal Bureau of Investigation, The United States Secret Service, Alcohol Tobacco and Firearms, and The Texas Department of Public Safety.

**Written agreements with State and local police agencies**

UPD’s working relationships with local law enforcement agencies are maintained through a written mutual aid agreement in addition to an MOU specific to RELLIS with BCPD. The agreements allow for cooperation in the performance of police protection including the investigation of alleged crimes, enforcement of laws, and communication between agencies pursuant to the agreement.
Reporting of Criminal Offenses and Emergencies

Any on-campus emergency at RELLIS should be reported immediately to UPD or BCPD by dialing 911 or 9-911 from a campus phone, 911 from a cellular phone, or in person. When using a campus phone (landline) dial either 911 or 9-911 to reach an emergency operator. For non-emergencies contact UPD at 5-2345 from a campus phone or call 979-845-2345 from an off campus phone, campus payphone, or cell phone. Upon receipt of the call, the UPD Communications Center personnel can supply information or dispatch officers as necessary. UPD officers located at RELLIS can be contacted at 979-845-2345. Electronic crime reports can be filed with UPD by emailing upd@tamu.edu. The Blinn police officer located at the RELLIS Blinn Academic Building can also be contacted at 979-209-7600 or at 911 for emergencies occurring at or near the RELLIS campus.

UPD calls for service are received in the UPD Communications Center where the information is entered into a Computer Aided Dispatch (CAD) system. The Communications Operator will request basic information regarding the call for service and the caller’s contact information as an officer may need to subsequently reach the reporting party. A Police Officer will either be dispatched to the scene or to the office to take the call by telephone, depending on the type of call. The Police Officer may then issue a case number for the call and complete an incident or offense report. Copies of all incident and offense reports are kept with the UPD Records division for a time period mandated by institutional and state records retention policies.

UPD will respond as quickly and safely as possible to requests for assistance, whether it is an emergency or not. Response time is based on current activity and severity of the call. Crimes in progress, alarms, traffic accidents with injuries, and medical assists have a higher priority than other types of calls. University Police or Security officers in vehicles, on foot, or on bicycles will assist and may be contacted directly. For non-campus offenses, we encourage prompt reporting to the proper local law enforcement agency.

Campus Security Authorities (CSA)

A CSA is a Clery-specific term that encompasses the following groups of individuals and organizations associated with an institution whose functions involve relationships with students: security and law enforcement officers, special events security staff, deans (or other senior student administrative personnel), coaches, residence hall staff, physicians or nurses in a campus health center, overseers and advisors to student clubs and organizations, and staff involved in student discipline and campus judicial proceedings.

Faculty, staff, and students are encouraged to report any criminal offenses within the campus environment directly to UPD or BCPD located at RELLIS. For non-campus offenses, we encourage accurate and prompt reporting to the proper local law enforcement agency. As an option, criminal offenses of which students and employees are aware may also be reported to the following offices and personnel:

**RELLIS Academic Alliance**
RELLIS Assistant Provost & Title IX Coordinator (for RELLIS Academic Alliance)  
(Academic Complex Building 1, Room 117K) RELLIS campus  
979-317-3402

**Tarleton State University**
Title IX Coordinator  
(Admin Annex I, Room 106) Stephenville Campus  
254-968-9754

Dean of Students, Dean of Students Administrative Office  
(Thompson Student Center, Room 20) Stephenville Campus  
254-968-9080
Crime reports provided to these and other campus security authorities are used by the school to fulfill its responsibility to annually disclose accurate crime statistics and to issue or facilitate the issuance of timely warnings or emergency notifications. Campus security authority crime reports should include sufficient detail such as dates and locations, and where appropriate, personally identifying information, including name and contact information, if available. For additional information on the duties and responsibilities of the individuals and offices listed above, see the CSA PowerPoint Presentation link located on the following webpage:

https://upd.tamu.edu/Pages/CSA-Reporting.aspx.

Accurate and Prompt Reporting is Encouraged
Students, faculty, staff, community members, and guests are encouraged to report all crimes and public safety related incidents to UPD, BCPD at RELLIS, or the appropriate police agencies in an accurate and prompt manner when the victim of such crimes elects or is unable to make such a report. The UPD Victim Services program provides information regarding victims’ rights, as well as assistance in dealing with the traumatizing consequences of crimes, to those who make a report or who may be reluctant to report. UPD officers provide UPD Victim Services contact information to victims encountered in the field. UPD, UPD Victim Services, and the university offices listed above, will assist individuals reporting in notifying the proper law enforcement authorities, if the individual chooses. It is the goal of the institution to provide assistance wherever the report is made and include Clery countable crimes in the annual security report.

Anonymous Reporting
Voluntary confidential reports, for purposes of inclusion in the annual disclosure of crime statistics and crime log, can generally be made by victims, witnesses, and others to the campus security authorities listed on the previous page and all other campus security authorities. Annual crime statistics and the crime log are confidential in that personally identifiable information is not included in the disclosure. Crimes can be reported anonymously by calling Crime Stoppers at 979-775-TIPS (8477).

Confidential Reporting Procedures for Counselors
As a result of the negotiated rulemaking process which was followed by the passage of the law, the 1998 amendments to 20 U.S.C. Section 1092 (f) clarified the identity of those considered to be campus security authorities. Campus “Pastoral Counselors” and “Professional Counselors,” when acting as such, are not considered to be a CSA and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of common practice, counselors are encouraged, if they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

For the purposes of the Clery Act, pastoral counselors are defined by the rulemaking process committee as an employee of an institution who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning with the scope of that recognition as a pastoral counselor.

For the purposes of the Clery Act, professional counselors are defined by the rulemaking process committee as “an employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning within the scope of his or her license or certification.”
TIMELY WARNINGS

The procedures disclosed in this section apply to incidents occurring at the RELLIS campus that warrant a Timely Warning (Crime Alert).

The UPD coordinates with the main Texas A&M University campus, the Blinn Police Department (BCPD Chief of Police), and TAMUS (RELLIS Assistant Provost) to generate and issue Crime Alerts on behalf of the RELLIS campus using established procedures as described below.

Crime Alerts are issued through email to students, faculty, and staff in a manner that is timely, that withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences. Recipients include, but are not limited to, Texas A&M University students and employees located at RELLIS and students and employees that are part of the RELLIS Academic Alliance. Information regarding the Crime Alert may be forwarded to local media outlets through a formal press release. Crime Alerts contain sufficient information about the nature of an identified threat to assist members of the campus community in taking appropriate action to protect themselves or their property. Crime Alerts generally include:

- A readily understandable description of the type of crime or occurrence.
- The general location, date and time of the offense.
- A physical description of the suspect(s), if available, when there is sufficient detail that would reasonably help identify a specific individual suspect or group of suspects.
- Possible connection to other incidents.
- Date and time the alert was issued.
- Suggested measures which members of the university community can take to help protect themselves.

The circumstances in which a Crime Alert will be generated include, but are not limited to, the receipt of a report to UPD or other campus security authority of a crime reportable under the Clery Act, that poses a serious or continuing threat to the campus community. The UPD Chief of Police (or university official designated by the Chief of Police) or UPD Assistant Chief(s) of Police are responsible for determining if a Crime Alert will be issued. Crimes that may warrant a Crime Alert include, but are not limited to, major incidents of arson, murder/non-negligent manslaughter, robbery, aggravated assault, sex offenses, or other crimes as determined necessary by the UPD Chief of Police (or university official designated by the Chief of Police) or UPD Assistant Chief(s) of Police. The determination will be made on a case-by-case basis after due consideration of all available facts of the crime, such as the nature of the crime and whether or not a continuing danger to the campus community exists. If UPD or other campus security authorities are not notified of a crime in a manner that would allow the department to provide timely notice, a Crime Alert may not be issued depending on the circumstances. All situations will be evaluated on a case by case basis.

UPD is responsible for writing and issuing Crime Alerts for crimes occurring at the RELLIS campus. Personnel authorized to write and/or issue (send) a Crime Alert are: UPD Chief of Police (or university official designated by the Chief of Police), UPD Assistant Chief(s) of Police, UPD Public Information Officer, or UPD Clery Act Compliance Officers. An internal or external review among two or more authorized personnel may occur if time allows. Anyone with information warranting a Crime Alert should report the circumstances immediately to UPD, by phone (979-845-2345) or in person at UPD (1111 Research Parkway, College Station, TX 77843). BCPD 979-209-7600 and UPD 979-845-2345 can also be contacted and/or dispatched to RELLIS by phone.

It is important to note that in some cases law enforcement may need to withhold some facts if releasing the information would compromise an ongoing investigation or the identity of the victim. Victim names and other identifying information of victims are not included in Crime Alerts. An institution is not required to provide a timely warning with respect to crimes reported to a pastoral or professional counselor.
Immediate Emergency Response Procedures

The Director of the RELLIS Campus has primary responsibility for emergency preparedness at the RELLIS campus. Duties and responsibilities range from working with departments to write and exercise building evacuation plans to developing and maintaining emergency response plans as deemed necessary.

The RELLIS campus Emergency Operations Plan is the primary plan that describes the general framework for emergency response at the campus. The RELLIS Campus Director in coordination with TAMUS Risk Management is responsible for maintaining and updating this plan. This plan shall be reviewed at least annually and updated based upon deficiencies identified during actual emergency situations, training and exercises, and when changes in hazards, resources, capabilities or organizational structure occur. A revised or updated plan will be provided to all departments and individuals tasked within this plan in addition to TAMUS Risk Management.

Texas A&M University Environmental Health and Safety, in cooperation with lead administrators for each occupied facility, oversee a building evacuation procedures for all occupied facilities on the RELLIS campus. Environmental Health and Safety works with each facility representative to maintain and test building evacuation procedures annually for occupied facilities on campus through emergency evacuation drills. The procedures disclosed in this section apply to significant emergencies or dangerous situations occurring at the RELLIS campus. The institution does not have separate procedures for non-campus property.

Emergency Notification System
The UPD coordinates with the main Texas A&M University campus and Blinn College to generate and issue emergency notifications on behalf of the RELLIS campus using two emergency notification systems. Established procedures are described below.

The Texas A&M University emergency notification system (Code Maroon) is utilized to notify Texas A&M University students and employees and TAMUS member agency employees located at RELLIS of significant emergencies or dangerous situations occurring at the RELLIS campus. The Blinn College emergency notification system called Blinn Alert, is being utilized to notify Academic Alliance students and employees located at RELLIS of significant emergencies or dangerous situations occurring at the RELLIS campus. Authorization and access is coordinated for efficiency and distribution of identical communications.

The Code Maroon (and Blinn Alert) emergency notification system gives the campus the ability to communicate health and emergency information through one or all of the following mechanisms: SMS text message and email. Code Maroon also utilizes pop-up messages on equipped university-owned computers, Twitter, RSS, and a mobile app. Texas A&M University will use the Code Maroon (and Blinn Alert) system only to provide official notification of critical emergencies (i.e., situations that pose an imminent threat to the community).

It is the policy of Texas A&M University to immediately notify the campus community, via the Code Maroon (and Blinn Alert) emergency notification system, upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the RELLIS campus.

Personnel from Texas A&M Office of Safety and Security or other designated employees determine whether or not a significant emergency or dangerous situation exists by evaluating information received from entities which may include, but are not limited to: law enforcement (including the Blinn Police Department), fire department, National Weather Service, Environmental Health and Safety, and other campus officials including personnel from RELLIS Campus Executive Leadership. The Office of Safety and Security advises RELLIS Campus Executive Leadership of emergencies or dangerous situations occurring at the RELLIS campus and the resulting Code Maroon (and Blinn Alert) messages, if any, as time allows.

Code Maroons are issued to the Texas A&M University campus community, including Texas A&M University students and employees at RELLIS, rather than to specific segments of the campus population. Blinn Alerts are
issued to the Blinn College, Bryan campus community and Academic Alliance students and employees at RELLIS, rather than to specific segments of the campus population.

Employees authorized to make a final determination of a significant emergency or dangerous situation and determine the content of a Code Maroon (and Blinn Alert) are: UPD Chief of Police, UPD Assistant Chief(s) of Police, UPD Patrol Supervisors (or UPD officer designated by UPD Patrol Supervisor), Associate Vice President for Safety and Security, Environmental Health and Safety Director, Environmental Health and Safety Assistant Directors, Emergency Management staff, and UPD Dispatchers. If time allows, final message content will be approved at the highest level available. Upon notification from an authorized employee listed above, a designated individual will send the Code Maroon alert (and Blinn Alert).

In circumstances where time is of the essence, certain employees are authorized to make a final determination of a significant emergency or dangerous situation, compose an alert (or select and modify one of the warnings that are pre-scripted for that purpose), and send the alert. These employees include: UPD Chief of Police, UPD Assistant Chief(s) of Police, Associate Vice President for Safety and Security, Emergency Management staff, and UPD Dispatchers. An example of such an urgent message could include a Code Maroon message issued for a tornado or for an active shooter.

Individuals designated to send Code Maroon alerts include specific employees in: UPD including UPD Dispatchers, the Office of Safety and Security, and the Division of IT. UPD Dispatchers are the designated individuals at Texas A&M University to send Blinn Alerts.

Victim names and other identifying information of victims are not included in emergency notifications.
In the event of a system problem, certain trained individuals from Texas A&M University Information Technology can be called upon to issue an alert from a remote location.

The Code Maroon (and Blinn Alert) emergency notification system does not replace the Crime Alert requirement. They differ in that the Crime Alert requirement applies to Clery reportable crimes, while the emergency notification system addresses a much wider range of threats (i.e. gas leaks, tornadoes, active shooter, etc.). If an emergency notification is issued, the campus is not required to issue a Crime Alert based on the same circumstances.

Individuals receiving the emergency notification will also be advised with updated information, as needed, using the same method(s) as the original notification.

Texas A&M University will, without delay, and taking into account the safety of the community, determine the content of the notification, and initiate the Code Maroon (and Blinn Alert) notification system; unless issuing the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. The generation of a Code Maroon (and Blinn Alert) emergency alert message and activation of the notification system is the responsibility of the Office of Safety and Security.

Providing emergency information to the Community

In the event that a crisis occurs on RELLIS property, the TAMUS Office of Marketing and Communications will be notified as soon as possible. As chief spokesperson(s) for the campus, TAMUS Marketing and Communications staff will ultimately be responsible for providing strategic direction and implementing protocols as outlined in the emergency communications plan. TAMUS Marketing and Communications will work with the UPD Public Information Officer and the RELLIS Director to prepare and disseminate internal and external messages, distribute news releases, respond to media inquiries, update the main university website with pertinent information, and share timely information as appropriate via digital channels. The TAMUS Office of Risk Management will serve in a liaison capacity when necessary. In addition, TAMUS Marketing and Communications will be responsible for planning, scheduling, and providing logistical support for news conferences as well as coordinating communication efforts with relevant entities and organizations. In case of
Testing Emergency Response and Evacuation Procedures
The Emergency Operations Plan will be tested and exercised at least annually utilizing a discussion-based level exercise or higher and tests of the emergency notification system. An operations-based exercise will be performed at least every three years. The agencies and emergency response entities that interface with RELLIS officials during an actual emergency situation will be invited to participate in the campus exercises. Actual emergency situations or false emergency alarms will not be used to meet the requirements for testing and exercising the RELLIS Emergency Operations Plan. The tests and appropriate follow-through activities are designed for assessment and evaluation of emergency plans and capabilities and are performed and documented. Tests may be announced or unannounced.

Emergency response and evacuation procedures are to be publicized annually in conjunction with a test through an email to the RELLIS campus community that will include, but may not be limited to, the following groups located at the RELLIS campus: Texas A&M University students and employees, TAMUS member agency employees, Blinn students and employees, and Academic Alliance students and employees. The email will communicate information about accessing the RELLIS Emergency Operations Plan and emergency contacts. A Code Maroon test distribution may also be used to publicize this information to Texas A&M University students and employees and TAMUS member agency employees.

Testing reports and review documentation will include a description of the exercise, the date the test was held, the start and end time of the exercise, and whether the test was announced or unannounced.

Monitoring Non-Campus Locations
When a student is involved in an offense in a non-campus location, UPD may assist with the investigation in cooperation with local, state, or federal law enforcement agencies but does not actively record or monitor criminal activity. UPD does not provide routine law enforcement service to non-campus facilities. Criminal activity at non-campus facilities is monitored and recorded by College Station Police Department, Bryan Police Department, or the Brazos County Sheriff’s Office. UPD may assist in accordance with mutual assistance agreements.

Institutional sponsored travel by a student or student organization to a location away from campus may result in the location meeting the criteria for Clery non-campus property. UPD does not monitor or record criminal activity for these non-campus locations. The local law enforcement agency with jurisdiction at the location responds when police services are requested.

Security of Campus Facilities

General Provisions
The Director of the RELLIS campus is responsible for determining access to the RELLIS campus. Access to facilities at RELLIS are the responsibility of TAMUS member agencies and department directors. For security and safety reasons, segregation or separation is required for certain activities located on the RELLIS campus. Applicable areas are secured by barriers and/or enhanced controls that may restrict public access.

It is unlawful for any person to trespass on the grounds of any state institution of higher education of this state or to damage or deface any of the buildings, statues, monuments, memorials, trees, shrubs, grasses, or flowers on the grounds of any state institutions of higher education as indicated in Texas Education Code Section 51.204. Texas Penal Code Criminal Trespass Section 30.05 and Criminal Mischief Section 28.03 are State statutes that are similar in nature and are also widely utilized to help support Texas Education Code Section 51.204.

The governing board of a state institution of higher education or its authorized representatives may refuse to allow persons having no legitimate business to enter on property under the board’s control, and may remove any person from the property on his or her refusal to leave peaceably on request. Identification may be required of any person on the property. (Texas Education Code Section 51.209) The UPD’s Community Services Division,
upon request, will prepare a security survey of the facility to determine security coverage and appropriate access control.

**Residence Halls**
RELLIS has no residence halls.

**Parking Areas**
RELLIS has two main parking areas and no parking garages. RELLIS campus has video surveillance of the main parking lots which may or may not be monitored. Parking areas are equipped with emergency phones and are readily visible and identifiable by the bright blue lights located on top of the phone cabinets. Instructions adjacent to the keypads direct customers to contact UPD at 979-845-2345 for non-emergency assistance and to dial 911 for emergency assistance.

**Academic and Administrative Buildings**
The RELLIS campus includes many public areas that are readily accessible. In general, the academic and administrative buildings at these locations are open to the public, at a minimum, during normal business hours. Individual facilities may have specific hours of operation, which can vary depending upon factors such as the time of the year and operational requirements. Access to some buildings, or portions of buildings, may be limited to authorized personnel at various times. Card swipe systems, locks and other means may be employed to limit access. Information about access to a specific facility can be obtained from the proctor for that facility. University Police Officers generally are not assigned to specific academic or administrative buildings at RELLIS. A BCPD officer is assigned to and present at the RELLIS campus during normal business hours. Contract security patrols RELLIS on a regular basis during evening and weekend hours.

**Facility Maintenance**
Contracted facilities personnel are responsible for maintaining the buildings, grounds, and custodial services for the Texas A&M University campus and at RELLIS. The group addresses maintenance, renovation, and repair projects for facilities, custodial and landscaping. Texas A&M’s Utilities & Energy Services Department provides electricity, heating and cooling, running water, and waste disposal. Faculty and staff are encouraged to report maintenance problems to their respective building proctor or to maintenance personnel by submitting through AggieWorks, an online request system (https://aggieworks.tamu.edu/). After-hours or emergency repairs, should be directed to maintenance personnel through the 24 hour Communications Center at 979-845-4311. Police personnel at RELLIS closely monitor any security-related maintenance problems, and report their findings to the appropriate university official. If necessary, they will stand-by until the problem is corrected. Contract security survey campus lighting nightly and monitor those areas having defective fixtures and report the deficiencies to the appropriate personnel for corrective action. Police personnel check the operations of the emergency telephones on a scheduled periodic basis.

**Security Awareness Programs**
The UPD’s Community Services Division, staffed by officers who are state Certified Crime Prevention Specialists, continually presents programs covering crime prevention and security information and make programs available for students, staff, faculty, and others, including Texas A&M University students and employees located at RELLIS. These Crime Prevention Specialists are dedicated full time to crime prevention efforts and programs. They participate in and provide information during new and transfer student orientation, international student orientation, in addition to a number of other programs scheduled annually with student, staff and faculty organizations. In these sessions information is provided regarding campus security procedures and practices. The Campus Safety Awareness Series is another opportunity for the campus community to get to know UPD officers, ask questions about safety and security procedures and practices, and/or voice concerns. For additional information or to schedule a program you are encouraged to call the Community Services Division at 979-458-6875.

UPD typically offers a variety of crime prevention programs and services to Texas A&M University students and employees and other Texas A&M University System students and employees. The programs are designed to
encourage students and employees to be responsible for their own security and the security of others. Due to COVID-19, the availability of the following programs or service requests may be restricted to online only or unavailable if the request cannot meet COVID-19 guidelines. In person requests that cannot meet the COVID-19 guidelines will resume once it is safe for all involved.

- Personal Safety Awareness – scheduled upon request
- Theft/burglary Prevention – scheduled upon request
- UPD Self-Defense Program – offered during fall move in week and regularly during fall and spring semesters

- Residential and Office Security Surveys – scheduled upon request
- Drug and Alcohol Awareness – scheduled upon request
- Sexual Assault Prevention – scheduled upon request
- Active Shooter Preparedness – scheduled upon request

**Alcohol Use Policy**

The following alcohol policy applies at the RELLIS campus.

All members of the campus community and guests are required to comply with federal and state laws regarding the possession, use, and service (including sales) of alcoholic beverages. Except as permitted or expressly authorized by state law, alcoholic beverages may not, in any circumstance, be used by, possessed by, or distributed to any person under 21 years of age.

The TAMUS strictly prohibits the unlawful manufacture, distribution (including sales), possession, or use of alcohol on TAMUS property, while on official duty, and/or as part of any TAMUS activities (System Policy 34.02, Drug and Alcohol Abuse). Possession or consumption of alcoholic beverages on property under control of the TAMUS will not be permitted except in special use buildings and facilities that may be designated by the chief executive officer of the member, approved by the chancellor, and subsequently reported to the board on an annual basis (System Policy 34.03, Alcoholic Beverages).

The purchase, service (including sales), possession, and consumption of alcohol beverages in facilities under the control of the TAMUS shall in all respects comply with state law (System Policy 34.03, Alcoholic Beverages). All purchases of alcoholic beverages by any member must comply with guidelines as established in System Policy 34.03, Alcoholic Beverages regarding the purchase’s source of funds, purpose, and required documentation.

Consequences for policy violations could result in sanctions by the institution and/or criminal charges/arrest by UPD or other law enforcement agencies for state law violations.

Details about Tarleton's Drug and Alcohol Abuse Prevention initiatives can be found in the campus Drug & Alcohol Abuse Prevention Report on Tarleton’s website at:

Drug Use Policies

The following illegal drug policy applies at the RELLIS campus.

Federal law prohibits the unlawful possession, use, sale, or distribution of drugs. Texas state law prohibits the possession, use, sale, manufacture, or delivery of a controlled substance without legal authorization. A controlled substance includes any drug, substance or immediate precursor covered under the Texas Controlled Substances Act, including but not limited to opiates, barbiturates, amphetamines, marijuana, and hallucinogens. The possession of drug paraphernalia is also prohibited under Texas state law. Drug paraphernalia includes all equipment, products and material of any kind that are used to facilitate, or intended or designed to facilitate, violations of the Texas Controlled Substances Act. According to System Policy 34.02, Drugs and Alcohol Abuse, all students and employees are expected to abide by federal and state laws pertaining to controlled substances and illicit drugs. More specifically, student codes of conduct governing students at the RELLIS campus prohibit using, possessing, being under the influence of, manufacturing, or distributing illegal drugs or illegally obtained/possessed controlled substances. Alleged violations of federal and state laws may result in criminal charges. Institutional conduct charges may be pursued against those alleged to have violated institutional policies and/or state/federal laws concerning controlled substances.

Details about Tarleton's Drug and Alcohol Abuse Prevention initiatives can be found in the campus Drug & Alcohol Abuse Prevention Report on Tarleton’s website at:

Policies for preparing the annual disclosure of crime statistics

The following statistics include all incidents of Clery Act crimes reported to the institution that occurred within the campus’ Clery Act locations, regardless of whether the individual reporting was a member of the campus community and regardless of whether the individual chose to move forward with the criminal justice or campus disciplinary proceedings. To prepare the annual disclosure of crime statistics, the institution collects information from internal sources such as campus police and other campus security authorities and requests information from external sources such as local law enforcement. Some local law enforcement agencies did not respond to the institution’s request for statistics or did not respond with a format usable for Clery crime reporting.

Disclosure Requirement

In accordance with the Higher Education Opportunity Act, upon written request, the institution will disclose to the alleged victim of any crime of violence, or non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense with respect to such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for the purposes of this paragraph.

Institutions are required to provide both the complainant and the respondent with simultaneous written notification of any result of any institutional conduct proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking. In these cases, it is not necessary for the victim to make a written request.
Sex Offender Registration

Section 121 of the Adam Walsh Child Protection and Safety Act of 2006 (42 U.S.C. 16921) provides for the tracking of registered sex offenders and instructs states to post sex offender data on the internet.

The Texas Department of Public Safety (DPS) is the official Texas internet source for Sex Offender Registration information. The Sex Offender Registration open record information is extracted from the DPS Sex Offender Registration Database. The DPS maintains files based on registration information submitted by criminal justice agencies and represents a statewide source of information on sex offenders required by law to register. The DPS Texas Public Sex Offender Registry website is found at:

https://publicsite.dps.texas.gov/SexOffenderRegistry.

The Sex Offender Registration web link to the Texas Registered Sex Offender Information is maintained by the TX Department of Public Safety, an outside law enforcement agency.

UPD receives notification of registered sex offenders that are currently employed, work, teach, volunteer, or attend classes on the campus of Texas A&M University. Notification comes from the Brazos County Sheriff’s Sex Offender Registration Office.

REQUIRED POLICIES AND PROCEDURES UNDER THE
JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY PROCEDURE AND CAMPUS CRIME
STATISTICS ACT, AS AMENDED BY THE VIOLENCE AGAINST WOMEN
REAUTHORIZATION ACT OF 2013

Sexual Assault, Dating Violence, Domestic Violence, and Stalking

In accordance with federal law and Texas A&M University System Regulation 08.01.01 Civil Rights Compliance (System Regulation 08.01.01), Tarleton State University prohibits discrimination and harassment including sexual assault, dating violence, domestic violence, stalking, (as those terms are defined for the purposes of the Clery Act) and/or related retaliation. The following are statements of policy that address discrimination, harassment (including, but not limited to, sexual harassment\(^1\) and sex-based misconduct\(^2\)), complicity, and retaliation\(^3\). The policies apply whether this conduct occurs on or off campus and when notice of potential misconduct is received by university.

Procedures for Reporting Sexual Assault, Dating Violence, Domestic Violence, Stalking, and Related Retaliation

Individuals have the option of notifying on-campus and local law enforcement authorities to report sexual assault, dating violence, domestic violence, or stalking. Below is a list of local law enforcement agencies. Reports should be filed with the agency where the incident occurred.

\(^1\) Sexual harassment is a form of sex discrimination. Unwelcome conduct on the basis of sex (of a sexual nature or otherwise): (1) by an employee of the university who conditions the provision of an aid, benefit, or service of the university on an individual's participation in that unwelcome sexual conduct; (2) determined by a reasonable person to be so severe and pervasive and objectively offensive that it effectively denies a person equal access to the university's education program or activity; or (3) sexual assault, dating violence, domestic violence, or stalking based on sex. For the purposes of defining sexual harassment specified in (2): severe means of sufficient seriousness to interfere with the rights, privileges, and legal activities of an individual, as well as actions that would be deemed by a reasonable person to be extreme or life-threatening; pervasive means conduct existing in or spreading over a large area of an activity or program over a period of time; and objectively offensive means behavior determined by a reasonable person to be offensive (actions that cause unreasonable harm or distress to another individual or group of people). Includes complaints based on sex, sexual orientation, and/or gender identity.

\(^2\) Sex-based misconduct is unwelcome conduct on the basis of sex that is severe, persistent, or pervasive enough to create a work, educational, or campus living environment that a reasonable person would consider intimidating, abusive, or offensive. Sex-based misconduct is explicitly prohibited under System Regulation 08.01.01. Aiding another in the commission of sex-based misconduct is also prohibited by System Regulation 08.01.01. Sex-based includes, but is not limited to, sexual assault, sexual exploitation, dating violence, domestic violence, and stalking based on sex. Sexual exploitation is defined as a situation in which an individual(s) takes non-consensual or abusive sexual advantage of another for his or her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited. For example, sexual exploitation could include such actions as secretly videotaping sexual activity, voyeurism, invasion of sexual privacy, exposing one’s genitals or causing another to expose one’s genitals, and knowingly exposing another person to a sexually transmitted infection or disease. Sexual exploitation is a form of sex-based misconduct. Includes complaints based on sex, sexual orientation, and/or gender identity.

\(^3\) Intimidation, threats, coercion, or discrimination against any individual for the purpose of interfering with any right or privilege secured under civil rights laws and regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing. The exercise of rights protected under the First Amendment does not constitute prohibited retaliation, nor does the filing of a mandatory report as required by System Regulation 08.01.01. In addition, a university official who files a mandatory report or charges an individual with making a materially false statement in the course of an investigation has not engaged in prohibited retaliation. Retaliation is explicitly prohibited under System Regulation 08.01.01. Aiding another in the commission of retaliation is also prohibited under this regulation.
The RELLIS Assistant Provost and Title IX Coordinator (AP/TIX) (or designee) is available to receive and investigate reports of sexual assault, dating violence, domestic violence, and stalking; assist in securing medical attention; participate in evidence preservation and collection; conduct criminal investigations of crimes; and inform the individual of legal and administrative options both on and off campus. Criminal investigations may occur independent from a conduct proceeding and are handled in accordance with the Texas Penal Code, the Texas Code of Criminal Procedure, and information from the Brazos County and District Attorney Offices. Law enforcement will help individuals understand the process of obtaining protective orders, restraining orders, or similar lawful orders issued by the courts.

Texas A&M University System employees are mandatory reporters who must report all known information about an alleged or suspected incident of discrimination, harassment, retaliation, or complicity that is experienced by, observed by or made known to an employee in the course and scope of their employment as soon as possible. Student workers are not required to report conduct prohibited by this policy if the student worker experiences, observes, or becomes aware of the prohibited conduct outside the context of their employment.

An employee is also not required to report an incident where: (1) the employee was a victim of sexual harassment, sexual assault, dating violence, domestic violence, or stalking; (2) the incident about which the employee received information was due to a disclosure made at a sexual harassment, sexual assault, dating violence, domestic violence, or stalking public awareness event sponsored by the university or by a student organization affiliated with the university; or (3) the person has either learned of the incident during the course of their employer’s review or process, or has confirmed with the designated office overseeing the review or process, that the incident has been previously reported.

An employee’s failure to report alleged or suspected discrimination, harassment, retaliation, or complicity may result in disciplinary action, including termination of employment. An employee must be dismissed if, in accordance with disciplinary processes, the employee is determined to have knowingly failed to make a required report, or that employee, with the intent to harm or deceive, knowingly made a report that is false. Notwithstanding the above mandatory reporting requirement for employees, anyone may report matters which they believe are criminal to the appropriate local law enforcement agency.

Students and third parties are strongly encouraged, but not required, to report conduct prohibited by this policy.

At the Tarleton: RELLIS-Bryan campus, reports that a student, an employee, or a third party has engaged in conduct prohibited by this policy should be made to:

RELLIS Title IX Coordinator’s Office (RELLIS TIXC): 979-317-3402 | civilrights@rellis.tamus.edu
Website Reporting Form: https://go.pardot.com/l/548402/2020-06-03/9w8zy6

The Assistant Provost & Title IX Coordinator’s (AP/TIX) responsibilities include, but are not limited to, (1) overseeing Tarleton: RELLIS-Bryan civil rights protections program; (2) ensuring all complaints of discrimination, harassment, retaliation, and complicity are promptly, thoroughly, and equitably reviewed, investigated, and resolved in accordance with System Regulation 08.01.01, System Rule 08.01.01.S1 for Academic Alliance staff students (and RELLIS AA Student Code of Conduct), and 08.01.01.T1 for Tarleton faculty and (3) identifying and addressing any patterns or systematic problems that arise from the review of such complaints. The Title IX Coordinator or designee shall decide whether this policy shall be applied to such conduct on a case-by-case basis.

Some conduct, while inappropriate and unprofessional, does not rise to the level of discrimination, harassment, retaliation, or complicity. These behaviors will be forwarded by RELLIS TIXC to be addressed by

the appropriate disciplinary authority, e.g., Supervisor, Student Conduct, Residence Life, etc., under rules or regulations other than this policy.

The TIXC’s office is the department designated by the university to receive, investigate, and resolve all reports alleging discrimination, harassment, retaliation, and/or complicity. However, reports that the following individuals have engaged in conduct prohibited by this policy: the Texas A&M University System Chancellor; the Texas A&M President; a Chief Operating Officer; an employee who reports directly to the Chancellor, President, or Chief Operating Officer, or the Title IX Coordinator should be made to:

Texas A&M System Ethics and Compliance Office (SECO)
301 Tarrow, 6th floor
College Station, TX 77843
979-458-6120
civilrightsreporting@tamus.edu

Additional options for reporting to the university include:
- Submitting an electronic report through: civilrights@rellis.tamus.edu

Individuals may file a complaint at any time with any local, state or federal civil rights office, including, but not limited to, the Equal Employment Opportunity Commission, the Texas Workforce Commission’s Civil Rights Division, the U.S. Department of Education’s Office of Civil Rights and the U.S. Department of Justice.

RELLIS and Tarleton State University has procedures in place to inform individuals of their rights to file criminal charges as well as the availability of services on and off campus. A complainant⁵ may request assistance from and/or will be assisted by TIXC in notifying law enforcement authorities if the complainant so chooses. A report to law enforcement is separate from a report to the university. An individual wishing to simultaneously pursue a law enforcement investigation and a university resolution of conduct prohibited by this policy should make a report to both entities. Individuals are notified of their right to report the incident to campus police and local police immediately, but always have the right to decline to notify such authorities. Reporting to law enforcement does not preclude an individual from pursuing disciplinary remedies with the university.

Although a report of conduct prohibited by this policy may be made at any time, regardless of when the conduct occurred, a report should be filed as soon as possible after the actions that caused the report. Prompt reporting assists investigators in the collection and preservation of evidence.

The filing of a report will not stop, delay, or affect pending personnel or disciplinary actions. This includes, but is not limited to, performance evaluations or disciplinary actions related to an employee or student who is not performing at acceptable levels or standards or who has violated System policies or regulations or university rules or SAPs.

The university’s response to allegations of conduct prohibited by this policy will be prompt and equitable. The response is intended to stop/prevent recurrence of any harassment and remedy discriminatory effects of the conduct, as appropriate. A substantiated allegation of prohibited conduct will result in disciplinary action, up to and including termination of employment or separation from the university. Third parties who commit prohibited conduct may have their relationship with the university terminated and/or their privileges of being on university premises withdrawn.

RELLIS TIXC conducts an initial review and preliminary assessment of all reports/complaints that are received by RELLIS TIXC to assess and address the safety and well-being of the complainant, respondent, and the community. As part of the initial review, RELLIS TIXC will take the following step: (1) inform the

⁵ The individual(s) who is alleged to have been subjected to discrimination.
individual reporting of the right to file a complaint with law enforcement (if applicable) in addition to filing a
complaint with RELLIS TIXC, (2) provide assistance in notifying campus police or appropriate law
enforcement authorities if the individual so chooses, (3) inform the individual of the right to decline to
contact law enforcement, and (4) inform the individual of the right to file a complaint with state and federal
agencies. RELLIS TIXC will offer the opportunity to request supportive measures to provide for the safety of
the individual and campus community.

RELLIS TIXC will also take steps to advise about (1) the importance of preserving evidence, if applicable, that
could assist in proving that a criminal offense occurred or may be helpful in obtaining a protective order or
assist in an investigation, (2) the university’s procedures for investigation and options for formal and
informal resolutions, and (3) the university’s prohibition against retaliation. At this time, RELLIS TIXC will
determine whether the complainant is a minor, elderly, or disabled and, if required, contact the appropriate
agency in accordance with the Texas law.

RELLIS TIXC provides a written notification of available resources, rights, and options to each individual
reporting discrimination, harassment, or retaliation (whether the offense occurred on or off campus)
regardless of whether the individual chooses to report the incident to local law enforcement or chooses to
pursue informal or formal remedies through the university or criminal remedies through law enforcement.
The written notification includes information regarding:

- the importance of preserving physical evidence that may assist in proving that the alleged criminal
  offense occurred or may be helpful in obtaining a protective order;
- procedures about how and to whom the alleged offense should be reported;
- the option to notify proper law enforcement authorities including on-campus and local police;
- the option to be assisted by campus authorities in notifying law enforcement if the victim chooses;
- the option to decline to notify such authorities;
- the rights of individuals and the institution’s responsibilities for orders of protection, no contact orders
  (mutual no contact restrictions), restraining orders, or similar lawful orders issued by criminal, civil, or
  tribal court or the institution;
- information about how the institution will protect confidentiality;
- existing on-campus and community resources/contacts (counseling, health, mental health, victim
  advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services
  available to students, faculty, and staff);
- the options for, available assistance in, and how to request changes to academic, living, transportation,
  and working situations or supportive/protective measures;
- protection from retaliation; and
- an explanation of procedures for institutional disciplinary action in cases of alleged sexual assault, dating
  violence, domestic violence, and stalking.

Individuals reporting to RELLIS TIXC also receive the written notification.

Guidelines or Suggestions to Follow After an Incident of Sexual Assault, Dating
Violence, Domestic Violence or Stalking (as applicable to the specific incident)

- Go to a safe place as soon as you can.
- Contact the Police Department at 911 (911 or 9-911 using an on-campus phone).
- Get medical attention as soon as possible to make sure you are physically well and to collect important
evidence in the event you may later wish to take legal action. Baylor Scott & White Medical Center in
College Station (979-207-0100, https://www.bswhealth.com/specialties/forensic-medicine/) is the
community’s designated forensic nursing facility offering a 24/7 program with trained Sexual Assault
Nurse Examiners (SANE) and a forensic unit that provides detailed physical examinations, evidence
collection, and expert testimony. CHI St. Joseph Regional Hospital in Bryan (979-776-3777) also
conducts forensic exams. Go to the hospital’s emergency room and request to be seen by a SANE. A
forensic examination can also be performed for victims of domestic violence.
• Try to preserve all physical evidence. Do not wash, use the toilet, swim, brush teeth, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag.

• Preserve evidence by saving text messages, instant messages, social networking pages, communications, pictures, or other documents, if any, that would be useful to police or investigators.

• Personnel are available to help explain options, give information, and provide emotional support. Personnel include: Title IX Coordinator 979-317-3402, Student Counseling 979-845-8017, Texas A&M Health Family Care 979-776-8440, UPD Victim Services 979-458-9767, and the Brazos Valley Sexual Assault Resource Center 979-731-1000.

Medical Treatment (as applicable to the specific incident)

It is important to seek immediate and follow-up medical attention for several reasons: first, to assess and treat any physical injuries sustained; second, to test for sexually transmitted infections or pregnancy and treat or take preventive measures; and third, to gather and preserve evidence that may assist in proving that the alleged criminal offense occurred or is occurring or may be helpful in obtaining a protective order. Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished. If victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infection.

Confidentiality/Privacy

Students and employees have the option to disclose incidents to confidential reporters who are employees designated or permitted by the university to receive complaints of discrimination, harassment, retaliation, and complicity and maintain confidentiality. Confidential reporters include, but are not limited to, licensed health care personnel and certain mental health providers (professional psychologists/counselors) who receive reports when acting the course and scope of their employment as part of their official employment. When an individual shares information with a confidential reporter, the confidential reporter cannot legally disclose the communication to another person or the institution except under very limited circumstances. Such information could be disclosed when: (1) the individual gives written consent for its disclosure; (2) there is a concern that the party poses an imminent danger to themselves or others; (3) the information concerns conduct involving suspected abuse or neglect of a minor under the age of 18, the disabled, or the elderly; or (4) required by law.

Confidential reporters are required to provide general nonidentifying information as required to comply with the Clery Act or other applicable laws/regulations, and must report de-identified statistics to the Title IX Coordinator for any type of sex-based incident made known to them, and may not include any information that would violate that person’s expectation of privacy. Publicly available recordkeeping, including Clery Act reporting and disclosures, must not include personally identifying information. Incidents are shared in a way that does not identify the individuals. For example, licensed healthcare providers share de-identified information regarding conduct that may be a statistic in the Clery Annual Security Report and/or disclosed in the daily crime log without identifying the individuals concerned. Additionally, researchers are deemed confidential only when the research project is federally funded and the identity of research subjects on the specific project are deemed confidential by law.

At the RELLIS campus, the following are considered confidential reporters: Mental health providers for students – counseling (979-845-8017), health care personnel for students – Texas A&M Health Family Care

---

6 Personally identifying information is defined as individually identifying information for or about an individual, including information likely to disclose the location of a victim of domestic violence, dating violence, sexual assault, or stalking, regardless of whether the information is encoded, encrypted, hashed, or otherwise protected, including a first and last name; a home or other physical address; contact information (including a postal, email, or internet protocol address, or telephone or facsimile number); a social security number, a driver’s license number, passport number or student identification number; and any other information, including date of birth, racial or ethnic background, or religious affiliation that would serve to identify any individual.
(979-776-8440); and mental health provider for employees and the employee’s benefits-eligible dependents (979-845-4141). At Tarleton State University the following are considered confidential reporters: Mental health providers for students – Student Counseling Services (254-968-9044), health care personnel for students – Student Health Services (254-968-9271); and the Campus Survivor Advocates (254-968-9044).

All other employees informed of possible discrimination, harassment, retaliation, and/or complicity should advise the reporting party that they cannot keep the information confidential and are required to report it to the university. Employees should inform the reporting party where confidential guidance can be obtained, such as the student counseling center or employee assistance program. To the extent possible, the university will protect the privacy of all parties to the report (see definition of private).

Employees receiving a complaint under this policy may not disclose the identity of the complainant to any law enforcement authority unless:
- expressly authorized by the complainant;
- imminent threat to health or safety exists; or
- required by law.

Requests from complainants to withhold any name, or a request not to investigate or seek action against the respondent, will be considered by the university in the context of the university’s duty to provide a safe and nondiscriminatory work, educational, and campus living environment. This may require that the university take actions when the complainant requests no action, such as when violence is involved, when the threat of violence exists, or when required by law, as in the case of elderly, disabled, or child abuse. A request to withhold information or not to investigate the alleged misconduct may limit the university’s ability to respond.

Although individuals reporting sexual assault are not required to file criminal charges, the following program is offered in the State of Texas. In accordance with the Texas Code of Criminal Procedure, Chapter 57, when reporting certain sex offenses to a Texas law enforcement agency, victims may use a pseudonym to protect their identity. The offenses applicable to this program are identified in Chapter 62 of the Texas Code of Criminal Procedure, defined by the Texas Penal Code, and include sexual assault. The pseudonym will replace the victim’s name in all public files and records concerning the offense, including police records, press releases, and records of judicial proceedings.

**Resources, Rights, and Options**

Following an allegation of sexual assault, dating violence, domestic violence, stalking, and/or related retaliation the complainant, the respondent, and other affected individuals have certain resources, rights, and options available to them. Parties with an inquiry or complaint are informed of resources, rights, and options in writing when TIXC receives notification of an incident whether it occurred on or off campus and regardless of whether the individual elects to pursue a criminal complaint or disciplinary measures. Other personnel likely to receive reports of conduct prohibited by this policy in the Student Affairs, Human Resources, and UPD, may also provide resources, rights, and options in writing. Available assistance information is also shared through prevention and awareness education and can be found on the Title IX webpage at [https://rellis.tamus.edu/academicalliance/campus-life/safety-and-rights/](https://rellis.tamus.edu/academicalliance/campus-life/safety-and-rights/). Additional information about any of the resources, rights, and options discussed in this section can be requested from RELLIS TIXC.

Institutional Rights and Options (Supportive Measures)

The institution is obligated to offer and provide assistance to students, employees, and third parties in obtaining a range of supportive measures. Supportive measures are intended to restore or preserve equal access to the workplace and educational programs or activities without unreasonably burdening the other party; stop and prevent the reoccurrence of discrimination, harassment, and/or retaliation; and support the complainant and respondent during the investigation and resolution process. Supportive measures are non-disciplinary, non-punitive individualized services. Supportive measures are offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent.

In all complaints of discrimination, harassment, and/or retaliation, RELLIS TIXC promptly contacts the parties to discuss the availability of supportive measures, considers the parties’ wishes with respect to supportive measures, informs the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explains to the complainant the process for filing a formal complaint.

RELLIS TIXC is responsible for coordinating the effective implementation of supportive measures. In addition to facilitating supportive measures, RELLIS TIXC can provide parties with access to university officials with information about counseling, medical, mental health, victim advocacy, visa and immigration information, impact of a leave of absence on student financial aid, and other services available to complainants and respondents (on campus and in the community). RELLIS TIXC will also notify the parties that options such as protective orders and criminal trespass warnings may be available through law enforcement agencies and the judicial system. A party may request a supportive measure through RELLIS TIXC (979-317-3402) at any time, regardless of whether a formal complaint has been filed and regardless of whether the individual chooses to report the incident to law enforcement or pursue disciplinary remedies.

RELLIS TIXC can assist with supportive measures that may include but are not limited to changes to academic, living, transportation and working situations or supportive measures according to the list below. In determining which supportive measures to impose and the reasonableness of the related measures, RELLIS TIXC considers the request; the safety of the complainant, respondent, and the university community; the specific needs of the individuals; the severity or pervasiveness of the allegations; continuing effects; sharing of classes, transportation, or job locations; other judicial measures already in place; and other factors as appropriate.

Supportive measures provided by the institution vary and may include, but are not limited to, the following:
- Assistance in obtaining access to medical, mental health, legal (protective orders and criminal trespass warnings available through law enforcement and the judicial system), counseling support, victim advocacy, visa and immigration information, and financial aid guidance
- Extension of deadlines or other course-related adjustments, e.g., in cases in which a student complainant and student respondent are enrolled in the same course, either student may elect to drop the course without any academic penalty
- Modifications of work or class schedules
- Campus escort services
- Mutual no contact restrictions between the parties as described below
- Changes in work or housing locations, if reasonable
- Leaves of absence
- Increased security and monitoring of certain areas of campus or workplace
- Other similar measures

**Mutual No Contact Restriction:** A mutual no contact restriction is a supportive measure issued by the institution that prohibits two parties from contacting one another through any means. Mutual no contact restrictions can be issued in addition to court ordered protection but may also serve as an alternative for those who do not want to seek a court order. A complainant or a respondent can request a mutual no contact restriction through the RELLIS TIXC at (979-317-3402). RELLIS TIXC may issue a mutual no contact restriction at any time prior to or during a conduct investigation based on information provided by the requestor. If good cause for a mutual no contact restriction is determined, both parties are notified of the restrictions in writing.
Mutual no contact restriction records are maintained in RELLIS TIXC’s tracking system.

Individuals should be aware that direct contact, refusal to leave a protected area, appearing at a location one reasonably knows the protected party is at, third-party contact, or even an anonymous contact are all potential violations of a mutual no contact restriction. Violations should be reported to TIXC and may result in further disciplinary action. Failure to comply with the terms of supportive measures such as mutual no contact restrictions may be considered a separate violation of system policies and regulations and university rules and procedures.

AP/TIX will also consider an interim removal of the respondent from university programs or activities if the respondent is an immediate threat to the health or safety of the community or another individual. Both an interim removal for student respondents and an interim administrative action for employee respondents, such as a leave of absence, are described below.

*Interim Removal of Students:* A student may not be expelled or suspended prior to a decision of responsibility for a violation(s) of a university rule, policy, regulation, code, or SAP except as provided below.

AP/TIX may remove a student from an education program or activity on an emergency basis only after an individualized safety and risk analysis has determined that the student is an immediate threat to the physical health or safety of any other student or individual arising from the allegations. AP/TIX must provide the removed student with notice and opportunity to challenge the decision immediately following the removal. Upon being removed, the removed student must be granted the opportunity for a hearing within 5 business days to review whether or not the removal is warranted. The outcome of this hearing is not subject to appeal and is not a disciplinary action.

During the interim removal, a student may be denied access to campus housing and/or the campus (including classes) and/or all other university activities or privileges for which the student might otherwise be eligible.

The interim removal does not replace the investigation and resolution process. The investigation and resolution process shall proceed as outlined in this policy, except that the timelines referenced in this policy may not be followed and the allegations will be resolved as soon as possible.

*Interim Administrative Actions for Employees:* In accordance with university rules and SAPs, Tarleton State University may request that an employee be placed on leave, suspended with pay, reassigned and/or place in another type of temporary status pending completion of the investigation and resolution process. Tarleton State University may also issue interim restrictions to an employee, which include, but are not limited to, contact restrictions (no-contact directives); representation of the university; “no trespass” orders, etc. Such interim actions will remain in place as specified in a notification to the employee or until the allegations are resolved.

*Confidentiality/Privacy of Accommodations and Supportive Measures:* The university will maintain as private any accommodations or supportive measures provided to the extent that maintaining such privacy would not impair the ability of the institution to provide the accommodations or supportive measures AP/TIX and or designee is responsible for determining what information and to whom information will be disclosed based on the circumstances of the allegation, the individuals involved, and related safety needs. AP/TIX and/or designee uses discretion and only discloses information to key officials at the institution who perform the tasks necessary for obtaining or providing the accommodation or supportive measure. The identity of an alleged victim of sexual harassment, sex-based misconduct, sexual assault, dating/domestic violence, or stalking may only be disclosed to: (a) persons employed or under contract with the institution, who are necessary to conduct an investigation of the report or any related hearings; (b) a law enforcement officer as necessary to conduct a criminal investigation of the report; (c) the person or persons alleged to have perpetrated the incident, to the extent required by other law; or (d) potential witnesses to the incident as necessary to conduct an investigation of the report. Other areas receiving information related to supportive measures may include, but are not limited to: Transportation Services, Scholarships and Financial Aid, Student Activities, Human Resources, academic departments (direct supervisor, Dean, or Associate Dean), or non-academic departments.
Legal Rights and Options
The institution provides information and assistance to the complainant, the respondent, and other affected individuals in obtaining lawful orders issued by a criminal, civil, or tribal court including protective orders and criminal trespass warnings as discussed below. Failure to comply with any of the terms of lawful supportive measures may be considered a separate violation in the institutional disciplinary proceeding.

Protective Orders: Individuals may apply for protective orders through the Texas criminal justice system. A protective order is an interim protective measure that requires the recipient to stay away from the protected individual’s home, workplace, and/or children’s schools (if the children are protected persons in the order) depending on the documented circumstances. It can require the recipient to stop communicating with the protected individual in a harassing or threatening manner, attend counseling, pay child support, and/or pay spousal support. An application for a protective order may be filed by an individual, a prosecuting attorney, or the Texas Department of Family and Protective Services (1-800-252-5400) on behalf of an individual. The application is obtained through the county attorney (Brazos County Attorney’s Office – Family Violence Unit, Family Violence and Mental Health Coordinator, 979-361-4657), the district attorney (Brazos County District Attorney’s Office – Chief Family Violence Division, 979-361-4320), or a private attorney. UPD (979-845-2345) will also provide assistance in applying for protective orders. Forms associated with applying for a protective order are found on the following webpages: http://brazoscountytx.gov/index.aspx?NID=112 and https://guides.sll.texas.gov/legal-forms/protective-orders.

The application for a protective order must be filed in either the county where the applicant lives or the county where the recipient lives. The applicant’s address can be kept confidential. If the legal criteria for a protective order is met, the county or district attorney’s office will prepare and file all of the paperwork necessary to request a protective order from a court. Such orders provide effective tools for law enforcement when they are called upon to protect an individual and their family. Additionally, an emergency protective order may be recommended and automatically issued by the court following the original report and arrest of the respondent. A hearing is held at a later date to determine if the order should be extended or modified.

UPD is notified of protective orders that exist in the campus and surrounding area. Local law enforcement agencies are also notified of all existing protective orders in their area. If the requestor or other institutional personnel become aware that a protective order is violated, UPD should be contacted immediately at 979-845-2345. Responding agencies can also be contacted for protective order violations including Bryan Police (979-361-3888), College Station Police (979-764-3600), or the Brazos County Sheriff’s Department (979-361-4980). Violating protective orders generally carry authority for the violator’s immediate arrest by UPD or other law enforcement agencies.

Criminal Trespass Warning: A criminal trespass warning is a supportive measure issued by UPD which is directed at those who are considered a danger to the campus community or a danger to a certain individual in the campus community. The warning advises the respondent to leave the premises and forbids him/her from entering and/or remaining on certain property which can cover either the entire campus or a specific campus location. To request a criminal trespass warning, contact UPD at 979-845-2345 and request to speak with an officer. The UPD officer issues the criminal trespass warning if the respondent is determined to pose a risk to campus safety based on information provided by the requestor as it relates to applicable state law and/or UPD policy. When the warning is issued, the officer is responsible for providing notice to the requestor and the person receiving the warning.

UPD officers are notified of criminal trespass warnings that exist in their area. If a criminal trespass warning is violated, UPD should be contacted immediately at 979-845-2345. A violation of the criminal trespass warning occurs when the individual is issued a warning but refuses to leave campus or is subsequently found in a prohibited area based on the trespass warning. The requestor and other institutional personnel should take
appropriate action by contacting UPD for a responding officer when they become aware of a potential violation of a criminal trespass warning. UPD generally enforces these warnings by charging violators with criminal trespass resulting in arrest and/or fine.

If the complainant, respondent, or member of the university community has obtained a protective order, civil no-contact order, restraining order, or similar order from a court as described in this section, against another member of the university community, a copy of the order should be provided to the Chief Risk, Ethics, and Compliance Officer. In conjunction with UPD and other university officials, the Chief Risk, Ethics, and Compliance Officer will take all reasonable actions authorized by law to implement the order.

Other Legal Options: The UPD’s Community Services Division at 979-458-6875 is available to provide information or direct victims to the proper agency about personal safety, Texas Crime Victim’s Rights, Texas Crime Victims Compensation Fund and other information upon request. Or visit the Office of the Texas Attorney General’s website at https://www.texasattorneygeneral.gov/cvs/crime-victims-compensation.

Investigations and Disciplinary Proceedings\(^8\) for Sexual Assault, Dating Violence, Domestic Violence, Stalking, and Related Retaliation

Proceedings pursuant to an allegation of sexual assault, dating violence, domestic violence, or stalking are provided in a prompt, fair, and impartial manner from the initial investigation to the final result, including any appeals. They are consistent with the institution’s policies and transparent and equitable to the complainant and respondent. The investigation provides that:

- Both the complainant(s) and the respondent(s) must receive equitable treatment in all facets of the investigation and resolution process including, but not limited to, the right to an advisor (if any), the right to present evidence and witnesses, and the right to be informed of the outcome of the investigation.
- Timely and equal access to any information (inculpatory and exculpatory) discovered during the investigation as well as any information that will be used during informal and formal disciplinary meetings and hearings will be provided to the complainant, respondent, and appropriate officials.
- During the investigation the complainant and respondent have timely notice of meetings at which the complainant or respondent, or both, may be present.
- Determinations use the preponderance of the evidence standard, i.e., what is more likely than not to be true, based on the totality of the available evidence.
- The university’s disclosure of information related to an investigation, the DA’s decision and/or the sanctions rendered are governed by the provisions of the Family Educational Rights and Privacy Act (FERPA), the Texas Public Information Act (TPIA), the Texas Education Code Section 51.971, and other applicable confidentiality laws.

Individuals conducting investigations and other decision makers, at a minimum, receive annual training on the issues related to sexual assault, dating violence, domestic violence, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. All of those involved in the administration of civil rights complaints at the university (including but not limited to: reporting, administering, investigating, adjudicating, advising, and informal resolution) complete annual training specific to their roles in accordance with requirements established by SECO in System Regulation 08.01.01, Appendix B, Minimum Training Requirements for Civil Rights Investigations, Advisement, Adjudication, Appeals, and Informal Resolution in The Texas A&M University System. Minimum training requirements include university rules and procedure, applicable federal and state laws, how to conduct comprehensive civil rights investigations and prepare reports, trauma-informed investigation techniques and considerations, due process protections, how to value and weigh evidence and assess credibility, sanctioning, appellate processes, etc.

\(^8\) For the purposes of this section, proceeding means all activities related to a non-criminal resolution of an institutional disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings, and hearings. Proceeding does not include communications and meetings between officials and the complainant, respondent, and other affected individuals concerning accommodations or supportive measures.
If an employee reasonably believes that an incident constitutes sexual harassment, sexual assault, dating violence, domestic violence, or stalking and that the incident is alleged to have been committed by or against a person who was a student enrolled at or an employee of the institution at the time of the incident, the employee must promptly report the incident to RELLIS TIXC. Students and third parties (including, but not limited to, anyone receiving services from the university, vendors, and private business associates) are strongly encouraged to report the incident(s) promptly to RELLIS TIXC. An employee is not required to report an incident in which that employee was a victim of the sexual harassment, sexual assault, dating violence, domestic violence, or stalking. Once an individual discloses information to RELLIS TIXC, a complaint will be considered to be made with the university, and the institution’s process is initiated regardless of whether the complainant chooses to pursue criminal charges.

Complaints are initially reviewed by RELLIS TIXC, not only to assess and address safety, but also to determine whether a violation of the System Regulation 08.01.01 and/or any other university rule, SAP, code, or policy could have occurred. During the initial review and preliminary assessment RELLIS TIXC will:

- Inform the complainant about options for formal and informal resolutions and solicit the complainant’s preferred method for resolving the matter. Complainants may request a formal resolution, an informal resolution, or “no resolution” of the allegations of discrimination, harassment, retaliation, and/or complicity.
- Offer assistance to the complainant in submitting a written formal complaint that details the nature and circumstances of the allegations, including the names of the complainants and respondents, if so inclined.

**No Resolution**

If the complainant requests that no resolution of the allegations occur, the university will seek to honor the request whenever possible without impeding the university’s ability to enhance the safety and security of the complainant and the university community. The university may initiate an investigation based on the seriousness of the allegation, whether or not there are multiple allegations, and/or whether or not a respondent poses a risk of harm to others. RELLIS TIXC will consider the following factors when evaluating such requests:

- All of the known circumstances, including any corroborating evidence;
- The nature and scope of the alleged conduct, including whether the reported behavior involves the use of a weapon;
- The respective ages and roles of the complainant and respondent;
- Whether there have been other reports of prohibited conduct or other misconduct by the respondent;
- Whether the report reveals a pattern of misconduct related to prohibited conduct (e.g. illicit use of drugs or alcohol) at a given location or by a particular group;
- Fairness considerations for both the complainant and the respondent;
- Whether the university possesses other means to obtain relevant information and evidence;
- The university’s obligation to provide a safe and non-discriminatory environment;
- Admissions of responsibility by the respondent, if any; and
- The impact of honoring the request on the complainant and the university community, including the risk of additional violence.

If the university is able to honor the complainant’s request for no resolution, the university may close the matter with no action taken, or the university may proceed with other appropriate steps, including investigation and disciplinary action against the respondent for violations of other rules, SAPs, regulations, policies, or codes, if applicable.

If the university determines that the complainant’s request cannot be honored, the complainant will be notified of the decision, and RELLIS TIXC will take appropriate actions, including but not limited to, (1) offering support services or academic adjustments and (2) initiating a formal investigation.
Informal Resolution

Informal resolutions do not utilize a formal hearing and may or may not involve the establishment of findings of fact and the application of sanctions.

At any time prior to the determination of a final decision, the parties may seek informal resolution to resolve the complaint. The following conditions apply to informal resolution:

- Informal resolution is a voluntary process. No party may be compelled to participate in informal resolution. The university, in consultation with SECO, must agree to allow an informal resolution to move forward and must obtain the parties’ voluntary, written consent to the informal resolution process.
- Prior to an informal resolution, the parties will be provided with: (a) written notice of the allegations; (b) the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; and (c) the consequences of withdrawing from the informal process and resuming the formal process, and including the records that will be maintained or could be shared.
- Once a party agrees to participate in informal resolution, they may withdraw from the process at any time prior to a final agreement and resume the formal grievance process. Information shared in the informal resolution process may not be introduced into the formal process without independent evidence.
- Once a final agreement is established through informal resolution, the complaint may not return to the formal complaint process unless one or both parties fails to abide by any conditions established in the agreement.
- Informal resolution options include mediation, restorative conferences, shuttle facilitation, and other forms of facilitated dialogue.
- Mediation may not be used to resolve complaints of rape, statutory rape, dating violence, domestic violence, or any case in which imminent threats of harm may exist.
- The university may not offer an informal resolution process in sex-based complaints unless a formal complaint is filed and may not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

Formal Resolution

The allegations will be considered for investigation pursuant to the following procedures. RELLIS TIXC reserves the right to resolve the complaint informally or through no resolution if the allegation does not rise to the level of conduct prohibited by System Regulation 08.01.01.

Upon receipt of a report, RELLIS TIXC may consult with the Texas A&M University System Office of General Counsel (OGC) as needed and make a preliminary determination about whether to conduct a formal investigation of the allegations. The preliminary determination may include, but is not limited to, the following:

- An assessment of whether there is sufficient known or obtainable information to proceed with an investigation of the complaint;
- An assessment of whether the allegations are baseless;
- An assessment of whether the allegations, if true, would constitute a violation of System Regulation 08.01.01; and/or
- An assessment of whether a complainant’s request for no resolution may be honored.

If it is determined that there is insufficient information to proceed with an investigation; or that the allegations are baseless; or that the allegations, if true, would not constitute conduct prohibited by System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty), or, that an investigation will not occur due to the complainant’s request for no resolution, RELLIS TIXC (for staff and students) and Tarleton Title IX (for faculty) may, after consultation with OGC:

- dismiss the complaint,
- close it for insufficient evidence to investigate or lack of jurisdiction,
• refer the report to a different office at the university (the university office may review the conduct and take appropriate action, including but not limited to, disciplinary action against the respondent for violations of other university rules, codes, regulations, policies, or SAPs, if applicable), or
• with the consent of the parties, as well as the approval of SECO, refer the complaint to informal resolution (cases involving allegations based on sex require the submission of a formal complaint before they may be referred to informal resolution).

RELLIS TIXC will notify the complainant of such action in writing. Complaints that have been dismissed or referred may be appealed in accordance with the appeal procedures section of this policy.

Once it has been determined that the university will proceed with a formal investigation, AP/TIX will appoint the Investigative Authority (IA) within 5 business days to initiate the process of determining whether a violation of System Regulation 08.01.01 or other university rule, SAP, code, or policy occurred.

AP/TIX (or designee) shall simultaneously notify the complainant(s) and respondent(s) in writing of the commencement of the investigation. The notice of investigation will include:
• receipt of the complaint stating the allegation of a violation of this policy;
• interim supportive measures, if any;
• admonishments regarding cooperation and prohibiting retaliation;
• any informal resolution process that may be available; and
• an unredacted version of the complaint to an employee respondent(s) and their advisor, if applicable, with admonishments regarding privacy.
• the appointed IA; the appointed Designated Administrator (DA) and Appellate Authority (AA);

If in the course of an investigation the university decides to investigate allegations about the complainant or respondent that were not included in the original notice, the university must provide notice of the additional allegations to the parties.

If the respondent is an employee, Title IX Coordinator (or designee) shall notify, in writing, the respondent’s supervisor that RELLIS TIXC is investigating an allegation that the respondent has engaged in conduct that may be a violation of System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty), or other university rules, SAPs, codes, or policies.

AP/TIX is responsible for all administrative actions required to conduct the investigation. These include, but are not limited to, informing the parties of extensions or other delays affecting the investigation, contacting supervisors or faculty regarding their employees’ or students’ time away from work or class to participate in the investigative process, making reports to university administrators, coordinating supportive measures, and undertaking any other tasks necessary to properly conduct the investigation.

The IA will review the complaint, conduct a prompt, fair, thorough, and impartial investigation. Abuse of the investigation and resolution process is prohibited and subject to disciplinary action up to and including dismissal or separation from the university. Examples of abuse of process include, but are not limited to:
• Failure to appear at a meeting, interview, hearing, or conference as set forth in a notice issued by TIXC;

9 The DA is the decision-making entity specified in university rules. This may be an administrator or a hearing officer/panel but may not include a person with a clear conflict of interest (e.g., supervisor, subordinate, and/or family member of either party) or personal bias. The role of the DA is to determine whether or not allegations of misconduct rise to the level of a violation of System Regulation 08.01.01 based on the evidence provided and utilizing the preponderance of the evidence standard. The DA cannot have served as an investigator nor may they later serve as an appellate authority in the same case. Title IX Coordinators may not serve as a DA in any case involving an allegation of discrimination or harassment based on sex. The AA is any individual or panel responsible for rendering appeal decisions as specified in university rules. The role of the AA is to review the process by which an original decision was reached and render an appellate decision, consistent with the grounds for appeal. Title IX Coordinators may not serve as an AA in any case involving an allegation of discrimination or harassment based on sex. All persons serving as DAs, AAs, and IAs will be impartial and free of conflicts of interest or bias for or against the complainant or the respondent.
• Falsification, distortion, destruction, or misrepresentation of evidence or information;
• Disruption or interference with the orderly conduct of an investigation, interview, meeting, hearing or conference;
• Intentionally initiating or causing a false report to be initiated;
• Attempting to discourage an individual’s proper participation in, or use of, the investigation and resolution process, disciplinary process, or legal process;
• Attempting to influence the impartiality of the IA, AA, or DA prior to, and/or during the course of the investigation and resolution process;
• Verbal or physical intimidation, and/or retaliation of any party to the investigation and resolution process prior to, during, and/or afterwards;
• Failure to abide by the terms of university administered sanctions;
• Influencing or attempting to influence another person to commit an abuse of the investigation and resolution process; and/or
• Failure to cooperate fully with the IA (applies to employees only).

Students, employees, and third parties who are found responsible for abuse of the investigation and resolution process are subject to the sanctions as described in this policy.

During the investigation, the complainant and the respondent will have an equal opportunity to be heard, submit information and corroborating evidence, identify witnesses who may have relevant information, and submit questions to be asked of the other party. Questions for the other party will be asked by and at the discretion of the IA. The IA will meet separately with the complainant, the respondent, and any witnesses, and will gather other relevant and available evidence and information. The IA may also consult medical, forensic, technological, or other experts when expertise is needed in order to achieve an understanding of the issues under investigation.

Witnesses must (1) have observed the acts in question, (2) have information related to or relevant to the incident, or (3) have information about impact, mitigation, aggravation, and/or character in order to participate in the investigation process.

Investigations provide both the complainant and respondent the same opportunities to have others present during any institutional proceeding, including the opportunity to be accompanied to any related meeting or proceeding by an advisor of their choice. The advisor may be present at any time in which the party participates in the investigation and resolution process, including the filing of the complaint, the interview with the IA, and all other meetings related to the investigation and resolution of the complaint. A party may select any person to be an advisor, including legal counsel.

If the allegations are related to sexual harassment or sex-based misconduct, a party must have an advisor for the hearing to provide guidance and to conduct cross-examination. If a party does not have an advisor for a hearing involving sexual harassment or sex-based misconduct allegations, the university will appoint an advisor for the party. To the extent reasonably possible, the university will provide a party without an advisor with a list of trained advisors and allow the party to select an advisor to be appointed from the list.

Restrictions regarding the extent to which the advisor will participate in the proceedings may be established and applied equally to both parties. In all instances, the advisor’s participation will be limited to the role of an observer, except that the advisor will conduct the cross examination during a hearing on allegations of sexual harassment and sex-based misconduct. An advisor can be barred from being present during the investigation and resolution process if, in the judgment of the IA, the DA, the AA, or the Title IX Coordinator, the advisor attempts to advocate on behalf of a party.

An advisor is selected by each complainant and respondent to provide guidance, support, or advice during the investigation and resolution process and to conduct cross-examination when a complaint is referred to a formal hearing. An advisor may be an attorney. The university may appoint an advisor of the university’s choice for a complainant or respondent for a hearing if either party does not have an advisor present. Advisors may not otherwise represent or speak for the party they are advising. Each party is allowed one advisor, although the university may establish circumstances under which a second advisor would be permitted (e.g., accommodating a party with a disability).
party (other than cross-examination), or is otherwise disruptive. All parties, including advisors, are informed of participation restrictions before a proceeding is conducted so that parties understand and respect the limitations.

When the university is made aware that there is a concurrent criminal investigation, RELLIS TIXC may inform the law enforcement agency that a university investigation is also in progress; ascertain the status of the criminal investigation; and determine the extent to which any evidence collected by law enforcement may be available to the university in its investigation. At the request of law enforcement, the university may temporarily defer part or all of the investigation until after the initial evidence-gathering phase of the law enforcement investigation is complete. The IA will communicate with the parties (as appropriate) about the law enforcement agency’s request to the extent allowed by law; the university’s obligations and supportive measures; procedural options; anticipated timing; and the implementation of any necessary interim measures for the safety and well-being of all affected individuals.

Standards for the resolution of criminal allegations are different than the standards for resolution of a violation of System Regulation 08.01.01 and/or any other university policy, rule, SAP, or code; therefore, the university will not base its decisions on any law enforcement determination and/or the outcomes of any criminal proceedings.

Within 30 business days, the IA will prepare an initial draft investigation report at the conclusion of the investigation and provide it to OGC for review. The initial draft investigation report includes the following but does not contain speculation, opinions, findings, decisions, or recommendations for sanctions:

- statement of the allegation(s)
- listing of individuals interviewed including dates of the interviews
- all incriminating evidence (evidence that would tend to support a finding that a respondent is responsible for the alleged misconduct) that is directly related to the allegations
- all exculpatory evidence (evidence that would tend to support a finding that a respondent did not commit the alleged misconduct) that is directly related to the allegations
- credibility assessments which may not be based on an individual’s status as a complainant, respondent, or witness
- listing of relevant documents attached to the report as exhibits

The IA has the sole discretion to determine the relevance of evidence and whether it should be included in or excluded from the investigation report. OGC will coordinate with SECO and provide its review of the initial draft investigation report to the IA within 10 business days.

The IA will have 5 business days to create a final draft investigation report and share that document electronically with both the complainant, respondent, and their advisors, if any. The university provides parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the university does not intend to rely in reaching a determination regarding responsibility, and inculpating or exculpating evidence related to the allegations whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. This includes sending to each party and the party’s advisor, if any, the final draft investigation report (with exhibits) subject to inspection and review. Both the report and the collected evidence will be unredacted to the extent allowed by law.

The complainant and the respondent will be given 10 business days to review the final draft investigation report and evidence and submit a written response to the IA for the IA to consider prior to final completion of the investigative report. A party’s written response, if any, will be shared with all other parties and incorporated in the investigation report as an exhibit.

While it is the IA’s responsibility to undertake a thorough search for relevant facts and evidence and to gather

11 The investigation report for a non-sex based civil rights complaint must also include the IA’s conclusion, based on the preponderance of the evidence, whether or not the alleged behavior/conduct occurred, did not occur, or there was insufficient evidence to establish that the behavior occurred or not, but will not determine whether or not the behavior establishes a violation of system or university regulations or rules.
evidence sufficient to reach a determination regarding responsibility, the IA must conclude the investigation within a reasonably prompt time frames and without the power of subpoena.

At the conclusion of the review and respond period, the IA will determine if any new or relevant information was provided by one or both of the parties. If necessary, the IA may pursue additional investigative steps and/or amend the final draft investigation report. The IA will have 10 business days to complete this process.

The IA will then have 5 additional business days to prepare a final report (as amended, if applicable), and forward it along with exhibits, responses from the parties, and other information directly related and relevant to the allegations, to OGC and SECO for legal review. OGC and SECO will then have 5 business days to provide feedback to IA. The latter review provided by OGC and SECO may be waived by mutual agreement between the university and OGC/SECO if no substantive changes were made following the initial review. After receiving the legal review, the IA will have 5 business days to finalize the investigation report and submit to the DA for decision-making and sanctions.

Circumstances may warrant extensions to the timeframes in this section. The IA should send an extension request, if needed, to AP/TIX. Both the complainant(s) and the respondent(s) are notified of any extensions in writing.

The respondent is presumed to not have engaged in prohibited conduct until the DA finds that there is sufficient evidence based on a preponderance of the evidence to find that the respondent has violated System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty). If violation(s) are found, the DA may issue sanctions.

Procedures governing the resolution of all sexual harassment and sex-based misconduct allegations
AP/TIX will appoint a university official and/or a hearing officer to be the DA. The university official and/or hearing officer will render decisions in cases with allegations against employees, third parties, and students12.

The DA will review the unredacted final investigation report, the documentary evidence, the record of the hearing (if applicable), and any other relevant information. The DA or designee will provide the final investigative report and exhibits to the parties. The parties will also be provided a pre-hearing conference to review the hearing process as well as to explore any available options for informal resolution. The parties have at least 10 business days to review the final investigative report and to respond in writing to the DA (if desired) prior to the hearing. The DA has the sole discretion to determine the relevance of evidence and whether it should be heard at a hearing. The Rules of Evidence do not apply in hearings. At any time prior to the adjudication of a formal complaint, the parties may seek informal resolution to resolve the complaint.

Unless waived by the parties, following the pre-hearing conference the parties will be given a minimum of 5 business days notice of any formal hearing. The notice must include the date, time, and location of the hearing, as well as instructions for those participating in hearings through online means.

The DA will conduct a live hearing13 to allow the parties to question witnesses, submit evidence or information, and to allow the DA and the parties’ advisors to cross-examine other parties or witnesses. The complainant and the

12 Exceptions: The chancellor or designee will serve as the DA in complaints against the Texas A&M President or an employee who reports directly to the Texas A&M President; a Chief Operating Officer or an employee who reports directly to the Chief Operating Officer. The chair of the Board of Regents or designee will serve as the DA in complaints against the chancellor or an employee who reports directly to the chancellor.

13 Hearings will be closed to the public. The university will create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the parties for inspection and review. Physical access to the recording or transcript must be provided upon request for the purpose of preparing an appeal following the hearing. Attendance at a hearing may be in person or may be conducted through remote means, provided that all parties and the DA can see and hear one another in real time during the course of the hearing.
respondent at a hearing must have an advisor with them. In cases in which a party does not have an advisor, the university will provide a trained advisor to assist them in the hearing process.

Cross-examination of the complainant, respondent, and any witnesses may not be conducted by the opposing party but must be conducted by their advisor. Questions are to be directed to the DA, who will determine whether or not each question will be admitted into the hearing. If a question is deemed repetitious or not relevant, the decision-maker must explain the decision to exclude it. When parties are being subject to cross-examination, the advisor may not answer on behalf of the party.

The DA will preside over the hearing and make final determinations on the relevance of questions and evidence asked during the cross-examination. Questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the alleged conduct, or if the questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent.

If a complainant, respondent, or witness is not in attendance at a live hearing, the DA cannot rely on the previously submitted statements of the absent party in reaching a determination, but may utilize all other evidence, including witnesses who interacted with the absent party, but not hearsay testimony of what the absent party told that individual. A complainant, respondent, or witness statement can also not be utilized in a determination if that person refuses to submit to cross-examination at a live hearing. The DA cannot draw an inference regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross-examination or other questions.

Following the hearing, the DA will develop a draft result14 (hereafter called decision), based on the preponderance of the evidence, as to a) whether or not the alleged conduct occurred; and b) whether each allegation is substantiated, unsubstantiated, or there is insufficient information to substantiate that the respondent violated System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty). If applicable, the DA will also include a decision as to whether the respondent violated any other university regulation, code, policy, SAP, or rule. If the DA determines that any regulations, policies, rules, SAPs, or codes have been violated, the DA will consider any information about impact, mitigation, aggravation, and the respondent’s character include a decision about sanctions. The DA will submit the draft to SECO within 2 business days. SECO will have a maximum of 3 business days to provide feedback to the DA.

Thereafter, the DA will have a maximum of 3 additional business days to issue a decision letter. The decision letter must be sent simultaneously to notify the parties, in writing, of the decision on responsibility and sanctions except when to do so would violate state or federal law [e.g. Family Education Rights and Privacy Act (FERPA)]. The decision must include any sanctions imposed by the institution. Notwithstanding section 444 of the General Education Provision Act (20 U.S.C. 1232g), commonly referred to as FERPA, the decision letter must include the rationale for the decision and the sanctions15. The decision will include information about appealing the decision and/or sanctions.

Decision letters must include (1) identification of the allegations; (2) a description of the procedural steps taken from the receipt of a formal complaint through determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held, if any; (3) a finding for each allegation as to whether the conduct occurred and findings of fact supporting the determination; (4) conclusion regarding the application of the university’s conduct standards to the facts; (5) a statement of, and rationale for, the result as to each allegation including a determination regarding responsibility (substantiated, unsubstantiated, or there is insufficient information to substantiate that the respondent violated System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty), any

14 Result is defined as any initial, interim and final decision by any official or entity authorized to resolve disciplinary matters within the institution. The result must include any sanction imposed by the institution.

15 The decision of the DA will include how the university weighted the evidence and information presented during the hearing, how the evidence and information support the decision and sanctions, and how the standard of evidence was applied.
disciplinary sanctions the university imposes on the respondent, and whether remedies designed to restore or preserve equal access to the university’s education program or activity will be provided by the university to the complainant, and; (6) the university’s procedures and permissible bases for the complainant and respondent to appeal the decision and/or sanctions. If it was alleged that any other system regulations or university rules, SAPs, codes, or polices were violated, there will be a statement of responsibility as to these allegations as well. The decision on responsibility made by the DA does not constitute an employment action with respect to faculty and non-faculty employees. Any sanction against an employee, imposed as a result of a substantiated finding, will constitute an employment action.

If for any reason there is reasonable cause for the university to delay the issuance of the decision letter, this will be communicated to the parties by the DA or designee. If a student respondent withdraws or graduates from the university pending the resolution of a complaint, the process will continue and, the university will not issue a transcript on behalf of the student until the conclusion of the process.

Upon request by another postsecondary educational institution, the university must provide to the requesting institution any determination that a student violated the university’s code of conduct by committing sexual harassment, sexual assault, sex-based misconduct, dating violence, domestic violence, and/or stalking based on sex.

The goal is to resolve complaints in a reasonably prompt timeframe; however, extenuating circumstances requiring additional time may necessitate an extension for good cause. Written notice of the delay and the reason for the delay is provided to the complainant and the respondent by AP/TIX or designee.

Procedures governing the resolution of all other civil rights complaints (allegations other than sexual harassment and sex-based misconduct)

Following are the resolution procedures for non sex-based complaints based on race, color, religion, national origin, age, disability, genetic information, and/or veteran status. When a complaint involves allegations of misconduct that involve both sex-based allegations and allegations of other civil rights violations, the process shall be conducted under the requirements established for sex-based offenses.

The DA will review the unredacted final investigation report, the documentary evidence, and any other relevant information. If the DA has substantial doubts about the thoroughness, fairness, and/or impartiality of the investigation, the DA may refer the matter back to the IA with further instructions, which could include the appointment of a different IA. At any time prior to the adjudication of a formal complaint, the parties may seek informal resolution to resolve the complaint.

The DA will develop a draft decision, based on the preponderance of the evidence, as to a) a finding for each allegation as to whether conduct occurred; and b) a finding of responsibility for each allegation: substantiated, unsubstantiated, or there is insufficient information to substantiate that the respondent violated System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty). If it was alleged that any other system regulations or university rules, SAPs, codes, or policies were violated, there will be a statement of responsibility as to these allegations as well.

The DA will submit the draft decision to OGC within 5 business days after receiving the final investigation report and consult, as needed, with respect to sanctioning. OGC will coordinate with SECO and provide its review of the draft decision within 5 business days. For a complaint against a student, it may be impractical for OGC to review the intended decision prior to issuance by the DA. Universities are therefore exempt from obtaining OGC review of the decision, for student complainants, prior to issuance but may request assistance from OGC and SECO when needed.

The DA will have 5 business days to finalize the decision and simultaneously notify the parties, the IA, and any other university official with a need to know, in writing, of the decision and sanctions. In cases in which the allegations are substantiated, the final decision will also be provided to an employee respondent’s supervisor. The decision must include any sanctions imposed by the institution. Notwithstanding section 444 of the General
Education Provision Act (20 U.S.C. 1232g), commonly referred to as FERPA, in the decision, the DA will state the rationale for the decision and the sanctions, if any. The final decision will include instructions for appealing the decision and/or sanctions.

Circumstances may warrant extensions to the time frames in this section. The DA should send an extension request, if needed, to the office or individuals who appointed them. Both the complainant(s) and the respondent(s) should be notified of any extensions in writing.

Sanctioning Considerations: In determining appropriate sanctions, many factors may be considered. Factors include, but are not limited to:

- the expressed wishes of the complainant(s),
- the nature of the conduct,
- the impact of the conduct on the complainant(s) and university community and the need to protect the safety of the university community,
- prior disciplinary history of the respondent,
- whether the respondent has accepted responsibility for the conduct,
- the necessity of any specific action in order to eliminate the discrimination, harassment, and/or retaliation and prevent its recurrence, as well as the need to remedy its effects on the complainant(s) or other university community members, and/or
- any other mitigating, aggravating, or compelling circumstances.

Sanctioning for Employees: If an employee is found to have engaged in sexual harassment or sex-based misconduct, the sanction will be termination of employment. If an employee is found to have engaged in conduct prohibited by System Regulation 08.01.01 and/or System Rule 08.01.01.S1 (for AA staff and students) and Tarleton Rule 08.01.01.T1 (for AA faculty) (other than sexual harassment and/or sex-based misconduct), the DA may assign appropriate sanction(s) which may have educational, restorative, punitive, and rehabilitative components. Sanctions include written warning or reprimand, required training and/or attendance at counseling, no contact directives, probation, suspension, and termination.

If an employee is found responsible for violating any other rule, policy, SAP, code, or regulation, the DA may assign appropriate sanction(s) or may refer the sanctioning to any other appropriate university administrator.

Sanctioning for Students: In all cases, investigations that result in a finding of responsible, in using the preponderance of the evidence standard (more likely than not that the alleged action took place in violation of the Student Code of Conduct or System Rule 08.01.01.S1 occurred) will lead to the initiation of disciplinary procedures against the accused individual. The sanctions applied will be in accordance with the Model Sanctioning Matrix For Sexual Violence And Sexual Harassment Violations By Students In The Texas A&M University System. University sanctions including one or more of the following may be imposed by the university upon individuals, groups or organizations. Sanctions for violations may be administered regardless of whether actions of the student are also civil or criminal violations. Whenever disciplinary action leads to the student leaving the university, grades will be assigned in accordance with the university grade policy and the academic calendar.

Sanctions for students may include but are not limited to:
- Reprimand
- Loss of privileges
- Imposition of certain tasks
- Probation
- Suspension
- Expulsion
- Revocation of Degrees
- Organizational sanctions
Minimum Sanctions: In addition, students found responsible for committing dating or domestic violence and/or non-consensual sexual penetration of another person will be subject to a minimum sanction of a one-year suspension, in the absence of significant mitigating factors. Students found responsible for these acts who have demonstrated predation for the purpose of carrying out these acts will be subject to permanent expulsion.

Students found responsible for committing acts of sexual harassment, sexual assault, dating violence, domestic violence, stalking based on sex, and/or any other sex-based misconduct who are allowed to return after a suspension of one year or more will be ineligible to hold an office in any student organization, ineligible to represent the university in any way (including intercollegiate athletics or other competitions, both on and off campus), and ineligible to receive an institutional scholarship, in the absence of significant mitigating factors.

Appeals procedures governing the resolution of all sexual harassment and sex-based misconduct allegations

An appeal of a complaint dismissal, hearing decision, and/or sanctions related to an allegation of sexual harassment or sex–based misconduct may be made by the complainant and/or the respondent. The AA, the individual or panel responsible for rendering appeal decisions, is assigned based on the status of the respondent in accordance with the following table. AAs shall not have had any previous involvement and/or participation in the investigation and/or decision pertaining to an appeal under review.

<table>

<tr>

<th>Student</th>
<th>Non-Faculty Employee and Third Party</th>

All appeals will be confined to a review of the record from the investigation and any relevant evidence, as well as the DA’s decision as related to the grounds for appeal. The appeal does not create an entitlement to a new investigation. The appeals process carries a presumption that the original decision was correct unless a preponderance of the evidence demonstrates that one or more of the conditions of the appeal are met, and that either or both parties was deprived of a fair process.

Appeals must be submitted in writing and must include a statement outlining the basis for the appeal and any evidence which supports the appeal. Appeals must be filed at the location and within the timeframe dated in the DA’s written notice of the decision (within 5 business days of notification of the decision). Decisions made by the DA shall not be final until an appeal deadline is passed, or when the appeal process is exhausted, or when all parties choose not to appeal.

To be a valid appeal, the appeal must: (1) be filed at the location and within the timeframe stated in the DA’s written notice; (2) identify one of the bases for appeal and (3) provide credible information or evidence

---

16 Results (decision and/or sanctions) or dismissal of a complaint can be appealed on any of all of the following bases, as applicable: (a) A procedural irregularity that affected the outcome; (b) New evidence, not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter. The new evidence must be provided at the time of the appeal through the designated mechanism for filing an appeal; (c) The Title IX Coordinator, investigator(s) or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter; or (d) The appropriateness or severity of the sanctions. If an employee was found to have sexually harassed another member of the university or agency community, the appropriateness or severity of the sanction cannot be appealed.
substantiating the identified bases for appeal.

If the AA determines that an appeal is not valid, the AA will provide simultaneous written notice to the parties and AP/TIX that no valid appeal was filed and that the decision of the DA is final and the case is closed.

If a timely and valid appeal is filed by either party, the other party will be notified as soon as practical thereafter by the AA. The parties will be given 3 business days to review the appeal and submit a written response a) that provides support for or challenges the decision by the DA, and b) that responds to the appeal bases submitted by the appealing party. Any written response must be submitted to the AA.

The AA will review the investigation report, the DA’s decision on responsibility and/or sanctions, the documentary evidence, the record from the hearing (if applicable), and any other relevant information and render a written decision on the appeal. If both parties file a valid appeal, the AA will review both appeals and will render decisions accordingly.

The AA will render one or more of the following written decisions:

- Affirm the DA’s decision on responsibility and, if applicable, the sanctions. There are no relevant issues of concern related to the ground(s) of the appeal, and, therefore, the decision is affirmed and final.
- Remand the complaint back to the DA because new evidence, not reasonably available at the time the determination regarding responsibility or dismissal was made, appears to be relevant and could have significantly affected the outcome of the decision on responsibility, dismissal of the complaint, or the sanctions. The DA will reconvene the hearing for the limited purpose of considering the new evidence. The DA will issue a new decision which may be appealed by the parties in accordance with the previously described appeal procedures.
- Remand the complaint back to the DA with an instruction to correct the procedural error or omission. If the procedural error occurred in the investigation phase, the DA will instruct the IA to correct the procedural error or omission and amend the Investigative Report, as appropriate. The IA will then submit the amended investigative report to the parties for review and response and then to the DA for a new decision in accordance with formal resolution procedures. If the procedural error occurred in the resolution phase, the DA will correct the procedural error or omission and then issue a new decision in accordance with the formal resolution procedures. The new decision of the DA may be appealed by the parties in accordance with the previously described appeal procedures.
- Remand the complaint to 1) AP/TIX or 2) SECO with the instruction to remedy a bias by the IA or DA or the Title IX Coordinator. If bias was present in the IA, AP/TIX will appoint a new IA to review the investigation, collect additional evidence or information as appropriate, and follow the investigation requirements as outlined in the formal resolution procedures. A new report will be written and provided to the DA for a new hearing. If the bias was present in the DA, AP/TIX will appoint a new DA to re-hear the case with the existing investigation. If the bias was present in the AP/TIX, SECO will appoint a new staff member to address the influence of the AP/TIX on the case.
- Modify the decision on sanctions because the sanctions given were inappropriate or disproportionate to the severity of the conduct after considering all the circumstances\(^\text{17}\). The AA will impose new sanctions, which are final.

Notwithstanding section 444 of the General Education Provision Act (20 U.S.C. 1232g), commonly referred to as FERPA, the AA will render a written decision simultaneously to the parties that includes a rationale for the decision as to each of the grounds appealed, changes occurring based on appeal, and when such results become final.

To the extent reasonably possible:

- For student respondents: The AA will provide the written decision simultaneously to the parties and AP/TIX within 10 business days following the 3 business day review deadline. AAs are exempt from

\(^{17}\) If an employee was found to have sexually harassed another member of the university or agency community, the AA may not render a decision which modifies the sanctions.
obtaining OGC review of decisions for student respondents prior to issuance but may request assistance from OGC and SECO when needed.

- For employee or third-party respondents: The AA will provide a draft decision to OGC for review within 5 business days following the 3 business day review deadline. System Office officials will provide its review of the draft decision to the AA within 5 business days. To the extent possible, the AA will provide a final written decision simultaneously to the parties and AP/TIX within 5 business days of receipt of the review from the System Office. If the complaint on appeal is substantiated, the respondent’s supervisor will also be informed.

The decision of the AA is considered be final and binding on all involved parties.

Circumstances may warrant extensions to the timeframes outlined in this section. The AA may send an extension request to the office or individual who appointed them with a rationale for an extension. If the extension is granted, the AA will notify the parties and AP/TIX in writing.

**Appeal procedures governing the resolution of other complaints (allegations other than sexual harassment and sex-based misconduct)**

Any employee disciplined pursuant to this regulation may appeal that action in accordance with [System Policy 12.01, Academic Freedom, Responsibility and Tenure](#); [System Policy 32.01, Employee Complaint and Appeal Procedures](#); [System Regulation 32.01.01, Complaint and Appeal Procedures for Faculty Members](#); [System Regulation 32.01.02, Complaint and Appeal Process for Nonfaculty Employees](#); and/or other system policies or regulations as appropriate.

Any student receiving a sanction of separation (expulsion or suspension) pursuant to this regulation may appeal the sanction in accordance with the code of conduct for student grievances, [Student Rule 51, Student Conduct Separation and Appeal](#).

**Extensions**

The university will make every reasonable effort to comply with the timelines contained in this procedure. However, extensions may be obtained by the IA, DA, or AA, as appropriate under the circumstances. Time frames for the receipt, investigation, and adjudication of complaints may be extended for good cause. Good cause is to be determined by the university in consultation with OGC and SECO and reasonable extensions may be granted at the discretion of the university. Circumstances that warrant an extension may include, but are not limited to:

- Temporary unavailability of the complainant(s), respondent(s) or witnesses;
- Delays in issuance and/or receipt of information to or from the IA;
- Temporary unavailability of the IA, DA, or AA due to illness, family needs or professional commitments;
- Holidays or other periods when the complainant, respondent, witnesses, or other university employees may be unavailable; and/or
- New allegations, new evidence, new witnesses, or any other fact or circumstance that would require further investigation.

All requests for extensions must be justified in writing and shall be sent by the IA, DA, or AA to AP/TIX for review and approval by the AP/TIX or designee. AP/TIX will simultaneously notify the complainant and respondent in writing of any extensions and the reason for the extensions.
Dismissals under Title IX

Cases involving allegations of sexual harassment, sexual assault, and dating violence, domestic violence, and/or stalking based on sex are subject to mandatory or discretionary dismissal from the Title IX process under federal law. However, at the discretion of the AP/TIX, in consultation with OGC and SECO, cases dismissed from the Title IX process may be subject to investigation and adjudication as sex-based misconduct which provides for the same investigation and resolution process as cases meeting sexual harassment under Title IX.

Mandatory dismissals

If the conduct alleged in the formal complaint would not constitute sexual harassment as defined even if proved, did not occur in the university’s education program or activity, or did not occur against a person in the United States, then the university must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX only. Such dismissal does not preclude action under

- Sex-based Misconduct procedures or
- Another provision of the university’s conduct standards.

Discretionary dismissals

The university may dismiss a formal complaint for the purposes of sexual harassment under Title IX if the complainant notifies the AP/TIX in writing that the complainant wishes to withdraw it, if the respondent is no longer enrolled or employed by the university, or if specific circumstances prevent the university from collecting evidence sufficient to reach a determination (for example, when the complainant has ceased participating in the process; in certain fact specific cases when the passage of time precludes the collection of sufficient evidence; when complainant’s identity is not known; and when the exact same allegations have already been investigated and adjudicated). Such dismissal does not preclude action under

- Sex-based Misconduct procedures or
- Another provision of the university’s conduct standards.

Upon a dismissal required or permitted pursuant to the above, the university must promptly send written notice of the dismissal and the reason(s) therefore simultaneously to the parties. The parties must be given the opportunity to appeal a dismissal to the designated AA in accordance with the appeal procedures referenced above.

---

18 Complaints will be processed under Title IX if all of the following apply: (1) The university has actual knowledge of a notice of sexual harassment or a complaint involving allegations of sexual harassment, sexual assault, and/or dating violence, domestic violence, and stalking based on sex to the Title IX Coordinator or any university official who has authority to institute corrective measures and redress harassment on behalf of the university. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge; (2) A formal complaint is filed by the complainant or signed by the Title IX Coordinator; (3) The alleged behavior/conduct must have occurred against a person while in the United States; (4) At the time the formal complaint was filed, the complainant was participating or attempting to participate in the university’s education program or activity. This includes an enrolled student, an employee, and applicants for admission or employment at the university, and; (5) The alleged conduct meets the definition of sexual harassment as set forth in this policy.
Prevention and Awareness Programs

Primary prevention programs are directed at incoming students and new employees. The primary programs are defined as programming, initiatives, and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexual interactions, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

Tarleton: RELLIS-Bryan provides culturally relevant, inclusive primary prevention and awareness education to incoming students and new employees to clearly define sexual assault, dating violence, domestic violence, stalking, and consent. The programs identify sexual assault, dating violence, domestic violence, and stalking as conduct prohibited by the university and provide information regarding bystander intervention, risk reduction in recognizing warning signs of abusive behavior, ways to avoid potential attacks, and individuals’ rights and options. The training includes procedures individuals should follow if sexual assault, dating violence, domestic violence, or stalking occurs and procedures the institution will follow when one of these behaviors is reported. This includes, but is not limited to, the importance of preserving evidence; options for notifying law enforcement and campus authorities; procedures for institutional disciplinary action and conduct proceedings; possible sanctions following a proceeding; on-campus and community resources; rights and options for obtaining lawful orders; assistance in receiving support measures and remedial action; how the institution will protect the confidentiality of victims and other necessary parties; and protection from retaliation.

Primary prevention programs include the following: Tarleton: RELLIS-Bryan

- The university requires an online training module Sexual Assault Prevention for Undergraduates and Sexual Assault Prevention for Adult Learners (by EverFi)
- New employees receive primary prevention information through a web-based Creating a Discrimination Free Workplace training mandated by The Texas A&M University System. All employees are required to complete the training every two years thereafter.

Ongoing prevention and awareness campaigns are directed at students and employees. The ongoing campaigns are defined as programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking using a range of strategies with audiences throughout the institution. The same information included in the institution’s primary prevention and awareness programs is incorporated into ongoing prevention and awareness campaigns. Various departments support ongoing campaigns for students and employees as described below.

Bystander Intervention and Risk Reduction

---

19 For the purposes of this section awareness programs means community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce perpetration. Programs to prevent dating violence, domestic violence, sexual assault, and stalking means comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault, and stalking that are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, assessed for value, effectiveness, or outcome; and consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

20 For the purposes of this section bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.
Everyone has a role in changing community knowledge, attitudes and behaviors. Change happens as each person is able to identify risky situations and take action to confront, interrupt, or prevent acts of sexual violence. Bystander intervention programs can help individuals observe a situation and determine an appropriate intervention where someone could use some help. Bystander intervention means just that; people taking care of others. If you find a friend in a situation that concerns you, consider the following strategies to intervene safely and effectively:

- Create a distraction to interrupt the flow of events
- Involve others to help you
- Make an excuse to remove a friend from the situation
- Point out the unwanted behavior in a safe and respectful manner
- Call for help, if needed

Sexual assault is never a victim’s fault. However, there are ways that may reduce the risk of being sexually assaulted including being prepared, alert, and assertive. Consider the following tips:

- Be aware of your surroundings
- Practice responsible drinking; alcohol is a factor in many sexual assaults
- Never leave your drink unattended
- Don’t accept drinks from someone you don’t know or trust
- Stay with your friends and make sure your friends stay with you
- Be careful of online relationships
- Trust your instincts

We are reminded to think about relationships, specifically relationships that may be, or become abusive. Be aware of the signs:

- Is one of the partners verbally and emotionally abusive?
- Is one of the partners isolating the other from friends and family?
- Is one of the partners controlling, intimidating or always jealous?
- Is there a threat of harm?
Definitions of Clery Act Offenses

Sexual Assault: An offense that meets the definition of rape, fondling, incest or statutory rape. A sex offense is any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent (see consent section below).

Rape: The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

Consent: Texas A&M University System Regulation System Regulation 08.01.01, Civil Rights Compliance provides guidance in complying with local, state and federal civil rights laws and regulations and related system policy. This regulation establishes system-wide standards for the receipt and processing of complaints, appeals, or reports of discrimination, sexual harassment and/or related retaliation based on protected class including complaints made by employees, students, and/or third parties.

According to System Regulation 08.01.01, Civil Rights Compliance, consent is clear, voluntary, and ongoing agreement to engage in a specific sexual act. Persons need not verbalize their consent to engage in a sexual act for there to be permission. Permission to engage in a sexual act may be indicated through physical actions rather than words. A person who is asleep or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason, or whose agreement was made by threat, coercion, or force, cannot give consent. Consent may be revoked by any party at any time.
