Approved: May 1, 2002  
Revised: September 4, 2018  
Next Scheduled Review: September 4, 2023

---

## Procedure Summary

---

Tarleton State University (Tarleton or university) is committed to managing, controlling and, where appropriate, reducing or eliminating risk to its employees, students and visitors, its financial condition, and its material and natural resources. Tarleton risk management programs support this goal by establishing program guidelines that expand upon system policy, regulation and state and federal statutes and regulations. This standard administrative procedure (SAP) establishes risk management programs at Tarleton State University and supplements [System Policy 24.01, Risk Management](#), [System Regulation 24.01.01, Risk Management Programs](#) and [Executive Order GWB 95-8 \(Relating to Workplace Safety and Health of State Employees, Citizens Served, and Preservation of State Property\)](#).

---
