

Completers will describe financial attitudes, behaviors, and skills that correspond to financial wellness and well-being.

Student Learning Outcome

Objective 2.3:
Tarleton 2021

Undergraduate and graduate students will recognize how student success is influenced by the interplay between personal financial circumstances and academic performance.

Student Learning Outcome

Objective 1.1:
Tarleton 2021

Degree completion rates among undergraduate students will increase by six percentage points among first-time-in-college, transfer, and graduate student cohorts.

Student Success Outcome

Goal 1 & Goal 2:
60x30TX

Undergraduate students will identify and demonstrate marketable skills affiliated with their degree program and communicate those skills to potential employers.

Student Success Outcome

Goal 3:
60x30TX

Undergraduate students will graduate with student loan debt that is at or below 60% of their first-year, post-graduation annual wages.

Student Success Outcome

Goal 4:
60x30TX

Tarleton will improve processes and reduce barriers to increase student persistence and decrease the time to degree.

Student Success Outcome

Objective 4.4:
Tarleton 2021
