The screenshot shows the Oracle Developer Forms Runtime interface. The title bar reads "Oracle Developer Forms Runtime - Web: Open -> SFARHST [Q]". The menu bar includes "File", "Edit", "Options", "Block", "Item", "Record", "Query", "Tools", and "Help". The toolbar contains various icons, including a "Rollback" icon (a curved arrow) and a "Close" icon (a black X). Two red arrows point to these icons. Below the toolbar is a text field labeled "ID:" with a red arrow pointing to it. The main area displays a table with the following data:
