

SGASTDN

SGASTDN contains information such as curricular attributes, VA, activities and student status.

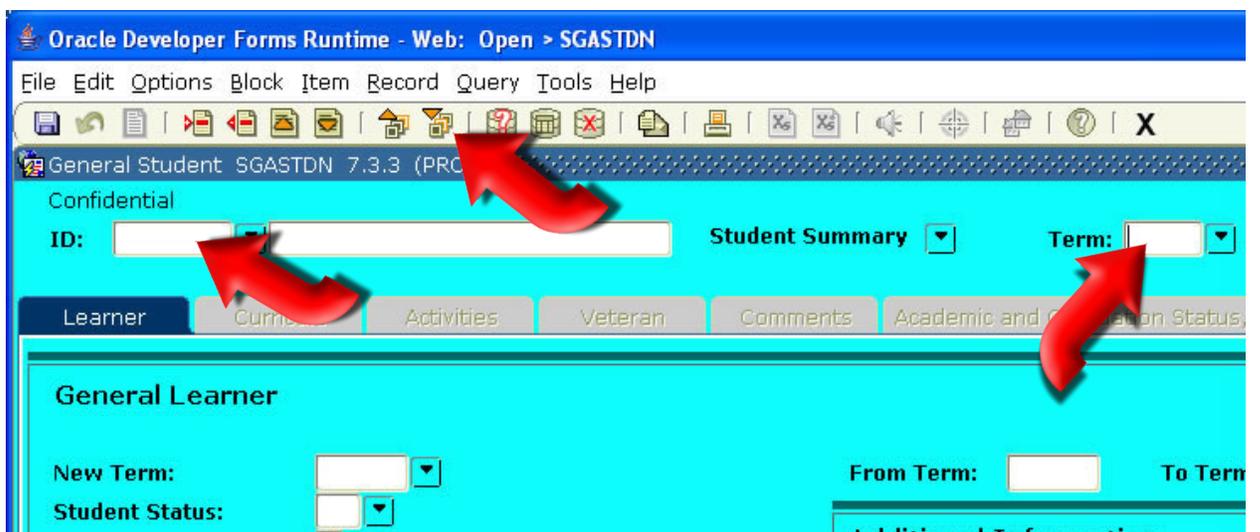

Step 1: Type SGASTDN in the “Go To” field and press Enter.

Step 2: Enter the students ID or SSN in the “ID” field and leave the “Term” field blank then click the “Next Block”.

Note: You can enter a specific Term but you will not be able to see records later than the term entered. For example: If you entered 200701 you would be able to see records from 200701 and earlier only. Leaving the Term blank shows all records.

If you do not know the students ID or SSN then please refer back to the note on page 2 of the SPAPERS section.

Step 3: You can view the student's information by selecting the appropriate Tab and using the scroll bar on the right to browse different terms.
