

FINAL PROGRESS REPORT
Due: September 2, 2022

July 2, 2022 through August 20, 2022

Grant Title: _____

Lead PI: _____

President's Excellence in Research Scholars (PERS) 2022-2023

The President's Excellence in Research Scholars initiative seeks to provide internal seed-grant funding for faculty-led student research which will provide innovative learning experiences through research, technology, and other resources.

Goals:

- Engage students in research to enhance their experiential learning experience under guidance of Tarleton Faculty/Research Staff.
- Support meritorious research
- Strengthen the research environment of Tarleton
- Generate data for external funding.

Describe your **Progress (activities, goals, objectives met, findings, collaborations, contributions):**

Describe your **Successes:**

Describe any **Challenges/Issues** encountered:

Describe any **Budget** progress/issues (all funds must be encumbered by August 20, 2022):

Faculty are required to submit, as a Principal Investigator, a proposal to an external funding source (Sponsor) by January 1, 2023.

Indicate the following:

Funding Agency:

Division:

Application Deadline:

Have you submitted a NOISE form to the RIED office? ____ Yes ____ No

You must acknowledge Tarleton State University's PERS program on any publications as a result of this funding.

Faculty and Student(s) are expected to present a poster at the PERS Research Symposium to be held at Tarleton in February 2023. If the student graduates, the Faculty member is still required to present a poster.

If for any reason, the project is not completed by August 20th, Faculty will be responsible for monthly progress reports until completion.
