

Office of the President
Tarleton State University

December 21, 2022

MEMORANDUM

TO: All Faculty, Staff and Students

SUBJECT: Environmental Stewardship – Integral to Our Mission

Members of The Texas A&M University System have a rich history of environmental stewardship that continues to be positively reflected every day on our campuses and at our agencies.

Tarleton State University is dedicated to environmental stewardship as we plan, design and build our facilities. Additionally, on a daily basis, we have many professionals, contractors, workers and volunteers maintaining our standards and improving our practices.

Moreover, environmental stewardship is a commitment codified by The Texas A&M University System Board of Regents in [System Regulation 24.01.03 Environment](#).

If you would like to learn more, have ideas for how we can improve or would like to play an active role, you are invited to contact the [Tarleton State University Risk and Safety Department](#).

For more environmental content, please visit the [Environmental Health and Safety](#) section of Tarleton University's website.

Sincerely,

Dr. James Hurley
President
