STOCK HORSE TEAM

**Tarleton State University
Stock Horse Team**

What is Tarleton Stock Horse?

The Tarleton State University Stock Horse Team is comprised of students dedicated to showing their horses in the collegiate divisions of the Stock Horse of Texas and American Stock Horse Associations. Shows consisting of Ranch Trail, Ranch Pleasure, Ranch Reining, and Ranch Cow Horse classes in Novice, Limited Non-Pro, Intermediate, and Non-Pro divisions.

This program allows students the opportunity to learn several skills outside of the classroom that will ultimately prepare them for any career. Time management is of utmost importance as the student participants often juggle class participation, with several hours of employment, caring for their horses, and still dedicate 10 or more hours of practice each week. Outside of the show pen, Stock Horse Team Members are helping their school and their community through various events including, but not limited to, FFA Contests, workdays, and service day projects.

Our focus includes:

- Both hosting and participating in clinics
- One on one learning opportunities
- Developing partnerships between horse and rider
- Providing live cattle for team members to practice and learn
