International Travel Safety: Safe Passage Presentation

The Office of Risk Management & Compliance at Tarleton State University requires all study abroad participants to complete a Foreign Travel Training to gain clearance from the Texas A&M University System to participate in travel abroad. The International Travel Safety: Safe Passage Presentation video will cover important safety procedures and potential dangers while participating in an abroad experience.

Follow these instructions to complete your training before departure:

1. Go to: https://apps7.system.tamus.edu/TrainTraq/web/External/ExternalGatewayLogon.aspx
2. You will be prompted to type in your e-mail address and password. Please contact Ms. Cayley Birchfield at Employee Services at 254-968-1684 for the most updated password.
3. Scroll through the page to find Course 2111728: International Travel Safety: Safe Passage Presentation.
4. Click Start
5. You will be prompted to provide some information about yourself, such as your name and how heard about this course. Within the, "How did you hear about the course," please input the Travel Location and dates of travel.
6. Click Start Course and complete the assessment at the end of the video.
