Security Control Standards**

**NIST Control Family – Contingency Planning**

CONTROL NUMBER	CONTROL NAME	PRIORITY	REVISION DATE	NEXT SCHEDULED REVIEW DATE
CP-3	Contingency Training	P2	4/15/2020	4/15/2021

**I. Statement**

Tarleton State University will provide contingency training to information system users consistent with assigned roles and responsibilities as needed.

**II. Applicability**

This Control applies to all Tarleton network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

**III. Risk Statement**

An organization is unable to resume its activities following a disruption since it has not considered strategic options for its critical activities and the resources that each activity will require on its resumption.

**IV. Implementation**

The University shall train personnel in their contingency roles and responsibilities with respect to the information system and provides periodic refresher training.
