NIST Control Family – Incident Response

CONTROL NUMBER	CONTROL NAME	PRIORITY	REVISION DATE	NEXT SCHEDULED REVIEW DATE
IR-2	Incident Response Training	P2	4/15/2020	4/15/2021

I. Statement

Tarleton State University will provide incident response training to information system users consistent with assigned roles and responsibilities and when required by related information system changes, as well as when personnel changes occur.

II. Applicability

This Control applies to all Tarleton network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

III. Risk Statement

Failure to train personnel on the incident response roles and responsibilities may result in inadequately coordinated processes in response to a security incident.

IV. Implementation

Tarleton shall train personnel in their incident response roles and responsibilities with respect to the information system and provides refresher training at least annually.
