NIST Control Family – Incident Response

CONTROL NUMBER	CONTROL NAME	PRIORITY	REVISION DATE	NEXT SCHEDULED REVIEW DATE
IR-4	Incident Handling	P1	4/15/2020	4/15/2021

I. Statement

Tarleton State University will implement an incident handling capability for security incidents that includes preparation, detection and analysis, containment, eradication, and recovery; coordinate incident handling activities with contingency planning activities; and incorporate lessons learned from ongoing incident handling activities into incident response procedures, training, and testing/exercises, and implements the resulting changes accordingly.

II. Applicability

This Control applies to all Tarleton network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

III. Risk Statement

Security incidents continue to occur due to lack of learning from past security incidents.

IV. Implementation

Tarleton will implement an incident handling capability for security incidents that includes preparation, detection and analysis, containment, eradication, and recovery.
