NIST Control Family – Program Management

CONTROL NUMBER	CONTROL NAME	PRIORITY	REVISION DATE	NEXT SCHEDULED REVIEW DATE
PM-16	Threat Awareness Program	P1	4/15/2020	4/15/2021

I. Statement

The University has implemented a threat awareness program that includes a cross-organization information-sharing capability at a minimum that includes email notification.

II. Applicability

This Control applies to all Tarleton network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

III. Risk Statement

Failure to conduct a suitable and relevant threat awareness program and failure to publish notifications to enhance awareness of organizational policies and procedures may result in a security breach of the operational environment.

IV. Implementation

A threat awareness program, such as email notification to alert of existing threats is in place and managed by the information security officer.
