NIST Control Family – System and Communication Protection

CONTROL NUMBER	CONTROL NAME	PRIORITY	REVISION DATE	NEXT SCHEDULED REVIEW DATE
SC-39	Process Isolation	P1	4/15/2020	4/15/2021

I. Statement

The University information system maintains a separate execution domain for each executing process.

II. Applicability

This Control applies to all Tarleton network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

III. Risk Statement

Insufficient segregation of communications and interfaces between the system processes, may expose sensitive information resources to unauthorized access.

IV. Implementation

The information system automatically enables a separate execution domain.
