² Reports include only those made by employees of a postsecondary institution who, in the course and scope of employment, witnesses or receives information regarding the occurrence of an incident that the employee reasonably believes constitutes sexual harassment, sexual assault, dating violence, or stalking and is alleged to have been committed by or against a person who was a student enrolled at or an employee of the institution at the time of the incident. Reports to the university made by students and all other non-employees are excluded.

³ "Number of confidential reports" is a sub-set of the total number of reports that were received under Section 51.252, by a confidential employee or office (e.g., Counseling Center, Student Health Center, Victim Advocate for Students, or Student Ombuds).

⁴ The institution provides resources and reporting options to all complainants. On-campus Survivor Advocacy is also contacted to provide additional assistance to the complainant when appropriate.

⁵ "Disposition" means "final result under the institution's disciplinary process" as defined in the Texas Higher Education Coordinating Board's (THECB) rules for TEC, Section 51.259 [See 19 Texas Administrative Code, Section 3.6(3) (2019)]; therefore, pending disciplinary processes will not be listed until the final result is rendered.

⁶ The institution may determine to "not to initiate a disciplinary process." The reasons for not initiating a discipline process can include, but are not limited to: case dismissal; insufficient information to investigate; confidential employee reporting (no identifiable information); the respondent's identity was unknown or not reported; the respondent was not university-affiliated; or the complainant requested the institution not investigate the report.
