

Texas Physics Consortium

Student Registration Form

Advisor: This form must to be filled out by the student prior to taking their first TPC course. The form is to be faxed or electronically submitted by the student to the Texas Physics Consortium Chair (marble@tarleton.edu or 254-968-9953) for inclusion in the TPC student database. Under the Texas Physics Consortium MOU, student data will be transmitted by the TPC chair to TPC campus facilitators as required to necessitate TPC course delivery including entering the student into course management systems. Student will remain in the TPC system for three years or until the TPC chair is notified of the student's graduation or leaving the program by the student's local TPC facilitator using the student removal form.
