B.S. Wildlife, Sustainability, and Ecosystem Sciences - Horticulture Science

Degree Offered at Stephenville Location

Course rotation and availability may vary based on location

2021-2022 Texas Common Course Numbering System Advising Guide

Degree Specific

- This 8 semester evaluation is contingent on the successful completion of each class. Please note this evaluation is designed with **prerequisites in mind.**
- ¹ **Advised Elective (two courses, 6 hours):** HORT 2470, 3301, 3309, 3370, 3415, 4347, 4470, SOIL 3319, 4212, 4213, 4450, WSES 3313, 3380, 4303, 4324.
- Completion of Experiential Learning is required before taking WSES 4187
- ² **No grade lower than a "C"** in BIOL 1406 or BIOL 1407 to meet prerequisites for WSES 4187
- ³ **AGRI 1100** is required for all WSES majors.

Degree Information

- This 120 hour four-year degree plan provides a model for on-time completion of this TSU program using as many TCCNS courses as possible. The four-year plan also shows the alternative when no TCCNS options are available for this program. See the current Undergraduate Advising Guide for course prerequisites. Course availability at TSU is subject to change, and the plan still may change based on updates to TSU's course offerings.
- Texas Common Course Numbering System (TCCNS) provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalence and degree applicability of transfer credit on a statewide basis.
- **Individual academic programs may require specific courses contained in parts of the University Core Curriculum as prerequisites for certain major requirements.** Students who wish to take courses that will fulfill both core and major requirements simultaneously should check with academic advisors for assistance in selecting core courses.
- Students must meet the Writing Proficiency Requirement by completing two upper-level Writing Intensive courses in their major or courses designed for their degree program. Contact your Academic Advisor for additional information or questions.
- Residence is satisfied only by official enrollment in and completion of course work applicable to the degree requirements.
 - A minimum of 30 semester hours of work counted toward the degree must be completed at Tarleton. The work completed at Tarleton and counted toward the degree must include at least 30 advanced hours (3000 or 4000 level) and 12 of these advanced hours must be in the major subject.
- A minimum of 45 advanced credits (3000/4000 level course work) are required and need to satisfy degree requirements.
- How does duplicating a course impact my GPA?
 - A student may take a course a second or subsequent time at the same institution. The highest grade will be included in the GPA calculation.
- Can I take a course at another school and transfer it back to TSU?
 - If you plan to take a course at another school and transfer it back to TSU, you need to consult with both an advisor and Transfer Services. An advisor can tell you the correct course number to take and assist with completion of a Concurrent Enrollment Form if needed.
