- [5] **No grade lower than a "C"** in BIOL 1406, BIOL 1407, MATH 2412, and WSES 2405
- [6] **AGRI 1100** is required for all WSES majors.

Degree Information

- This 120 hour four-year degree plan provides a model for on-time completion of this TS program using as many TCCNS courses as possible. The four-year plan also shows the point when no TCCNS options are available for this program. See the current Undergra Catalog for course prerequisites. Course availability at TSU is subject to change, and th shown may change based on updates to TSU's course offerings.

- Texas Common Course Numbering System (TCCNS) provides a shared, uniform set of designations for students and their advisors to use in determining both course equivale degree applicability of transfer credit on a statewide basis.

- **Individual academic programs may require specific courses contained in parts University Core Curriculum as prerequisites for certain major requirements.** St who wish to take courses that will fulfill both core and major requirements simultaneou should check with academic advisors for assistance in selecting core courses.

- Students meet the Writing Proficiency Requirement by completing two upper-level Writ Intensive courses in their major or courses designed for their degree program. Contact Academic Advisor for additional information or questions.

- Residence is satisfied only by official enrollment in and completion of course work appl toward the degree requirements.

    A minimum of 30 semester hours of work counted toward the degree must be com with Tarleton. The work completed at Tarleton and counted toward the degree mu at least 30 advanced hours (3000 or 4000 level) and 12 of these advanced hours in the major subject.

- A minimum of 45 advanced credits (3000/4000 level course work) are required and ne satisfy degree requirements.

- How does duplicating a course impact my GPA?

    A student may take a course a second or subsequent time at the same institution. highest grade will be included in the GPA calculation.

- Can I take a course at another school and transfer it back to TSU?

    If you plan to take a course at another school and transfer it back to TSU, you nee meet with both an advisor and Transfer Services. An advisor can tell you the corre number to take and assist with completion of a Concurrent Enrollment Form if nee
